Date: 23<sup>rd</sup> DEC. 2023**Consolidated Academic Audit Reports and Follow-up Actions taken during the last five academic years (AYs: 2018-19 to 2022-23)**

S.N.	Suggestions by the Academic Auditors	Follow-up actions taken (Ref: HOD & Principal's Meetings)
1	Teaching Methods & Teaching Aids: May be updated as and when necessary	With reference to the revised university curriculum in line with the NEP-2020, faculty members are using student centric methods such as innovative teaching aids, pedagogical initiatives and e-resources to strengthen teaching-learning process
2	Papers/books/Articles published: Advised to publish in reputed peer reviewed journals	Organised international conferences and staff and students have published their research articles in various reputed international journals
3	Student involvement in extra and co curricular activities/ Study tours, industry visits, internships: Some more encouragement is required	All the students are undergo internships, industry visits and participated in NSS, YOGA, AICTE Activities, UBA, Red-Cross and other social activities.
4	Consultancy/Collaborations: To be improved	Established industry attached laboratories in the department. The collaborative activities are conducted through MoUs with various organisations.
5	Conference/Seminars/Workshops conducted: May be increased to meet requirements	The gaps are identified in the university's curriculum every academic year. The bridging activities are conducted to mitigate the gaps.
6	Placement: More efforts to make improve	Soft skill and technical trainings are conducted to improve the placements. Extended mentoring has been adopted to facilitate placement opportunities through alumni.
7	Advised to register remaining faculty members to Ph.D	All faculty members are pursuing Ph.D
8	Advised to change set target levels for attainment of POs-COs	The target levels are revised and attainments are evaluated regularly
9	Advised to improve the results with FCs and FCDs	Learner centric and class room dynamics based Remedial and make-up classes are conducted to improve the SEE results
10	Acted as resource person	Faculty members are motivated to attend as a resource to share their knowledge and skills
11	Quality of student projects	The project polices are made to select national importance projects through rigorous evaluation and scrutiny by the department committees. Relevant projects are completed and they fetched sponsorships from the various agencies and some are published in the reputed international journals.
12	Quality of equipments	The laboratory equipments are calibrated and research equipments are procured through the VGST grants
