

Alumni Association Hirasugar Institute of Technology

The greatest asset of any institute is its alumni. A good institute can measure its worth by its alumni. Our Alumni are performing extremely well at various places and positions throughout the world. Alumni are the most important stakeholders of our Institute. Therefore the institute has established an “ALUMNI ASSOCIATION HIRASUGAR INSTITUTE OF TECHNOLOGY” on 11th February 2011 under Karnataka Society Registration Act, 1960 with registration No: D.R.L/S.O.R/BGM/1245/2010-11. Every pass out student is eligible for life time membership and can become a member by completing registration process.

Alumni association HSIT has organizational structure as President, Vice-Presidents, Secretary, Joint Secretary, Treasurer and members. It has total 17 members on this committee. The office bearers of this committee keep the track of our alumnus and also communicate happenings in the institute. These committee members meet twice in a year. Becoming the member of alumni association is one of the easiest ways to reconnect, give back to the institute, and serve as a springboard for further involvement.

Our alumni are serving their alma mater in following ways-

- Participation in the programs like seminars, workshops, etc, as a resource person.
- Delivering expert lectures regularly and guiding the students about new trends in the work environment, skill enhancements, professional ethics and catering student's need of career .
- Evaluating various technical events as jury member.
- Helping their juniors for getting the placements.
- Suggesting modifications in the curriculum.
- Donating books to the students.
- Giving cash prizes to the meritorious students.
- Sponsoring the student's projects.

As every alumnus has experienced his/her life at institute through different phases before graduating through unique and different model of HSIT, hence they find the potential for contributing back for the development of the institute and support the institute's reputation.
