## FROM CHIEF EDITOR'S DESK

**Prof. O. B. Heddurshetti**  
Chief Alumni Coordinator

It gives me an immense pleasure to introduce the first volume of Alumni Association News Letter on this auspicious occasion of Alumni Meet -2016 at Pune. Alumni Association HIT was established in the year 2011. Since then every year we are conducting alumni meet at different places which brings together a wealth of talented & capable professionals who share their expertise, experience & brainstorm on the prospective avenues. The greatest asset of any institute is its people-

the students, the faculty, the management & the Alumni. A good institute can measure its worth by its alumni. I am very delighted to say that our alumni friends are performing extremely well at various places & positions throughout the world. Hence, alumni are the most important stakeholders of our institute.

This newsletter highlights various alumni related activities conducted by the alumni association. In this edition, I have tried to capture the activities conducted during last one year. We have been conducting various alumni related activities like seminars & workshops with alumni as resource persons, alumni interactions with students, alumni get-together functions etc.

I would like to thank our esteemed Management, Principal, Faculties & Staff members for their constant support to conduct all such alumni related activities. I also thank the editorial board for helping me during the preparation of the newsletter. And as always if you move to new place, change your contact number, email Id, get a new job or anything else exciting, we want to know about it! Send us updates at [alumni@hsit.ac.in](mailto:alumni@hsit.ac.in)

*The future belongs to those who believe in the beauty of their dreams.....*
