Alumni Feedback – Knowledge

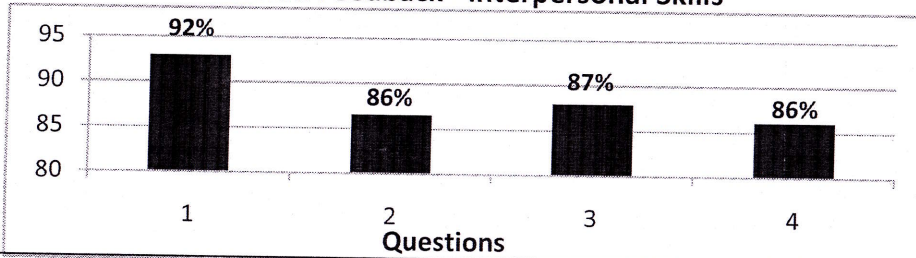

80-93% of alumni expressed problem solving skills, data collection and analysis, ability to link theory to practice, ability to design a system or process component, IT knowledge and its application taught us by all teachers in the well defined manners.

Alumni Feedback - Communication Skills

88% of the alumni gave the opinion that the designed curriculum has the scope for students to develop their oral communication skills, presentation skills and the techniques of report writing.

Alumni Feedback - Interpersonal Skills

86-92% of the alumni has expressed about interpersonal skills such as ability to work in teams in critical tasks, independent thinking and ethical values are well cultivated during their studies in the institute.

Alumni Feedback – Management/Leadership Skills

90% of the alumni have gave the opinion that the designed curriculum has the opportunity for students to learn management aspects & leadership skills and can make their own decisions and inculcate discipline.

What the analysis indicates?

- From the student's feedback, the size of the syllabus is a load on the student to study in stipulated period mentioned by university.
- The feedback from the teachers indicates that, technical knowledge, creativity and obligation to work beyond schedule needs to be given due weightage.
- The feedback from the parents and alumni indicates that more number of students needs to be sensitized towards interdisciplinary projects and environmental concerns.

Measures taken to address the above mentioned issues:

- The technical knowledge has been addressed by enhancing the quality of question papers by adopting Bloom's Taxonomy. The creativity and obligation to work beyond working hours has been addressed through orientation programmes done at the beginning of each semester.
- The sensitizing issue will be addressed by conducting more community relevant programmes. The number of programmes related to this has enhanced over the period.
- Suggestion and recommendations on university syllabus is communicated to BoS chairman of the respective departments.
- Workshops/Seminars/Conferences/Technical Talks are arranged for students.
- FDPs, technical talk and conferences are arranged for faculties on regular basis.
