Dear Sir/Madam,

**Sub: Permission for Engineering Students for visiting Hidkal Dam Power plant Belagavi**

With reference to the above we, at the very outset, introduce ourselves as a Technical Institution offering four years B E Degree Course in the disciplines of CS&E, E&EE, E&CE, ME and CE.

The annual intake is 420 and total student strength is 992. We are successfully moving ahead in 28<sup>th</sup> year of existence in providing quality and affordable technical education to the needy intellectuals of this region.

As a part of VTU curriculum the students are expected to visit the actual sites dealing with engineering activities/functions and interact with the personnel at the site for witnessing the actual performance of the engineering systems and thereby gain the practical knowledge. Hence, our 3<sup>rd</sup> and 5<sup>th</sup> Semester Electrical & Electronics Engineering students are very much interested to visit the Hidkal Dam Power Plant Belagavi on 9/2/2024.

Hence, I request you to accord your kind permission to around 99 students and 04 faculty members to visit the above said site.

Hope you will kindly do the needful.
