**IMPORTANT NOTICE: PLEASE READ.**

**Amendment to Autodesk Software License Agreement (“Amendment”)**

The following modifies and replaces the text contained in the subsection entitled “Network Version” of Section 1 of the Autodesk Software License Agreement (“Agreement”) that appears during the installation process of the Software:

**“Network Version:** If this Software is a Network Version, you may use it only in the country(ies) permitted by Section 2.9 of this Agreement, over a protected network environment with the Autodesk License Manager tool, and you may install and operate the Software on a single server computer in a single location which may be accessed by other computers, or on an individual computer, as a multiple-user installation with either:

- (i) the maximum number of concurrent users being one (1), so that multiple individuals may access or use the Software, but that only one person at a time may do so, or
- (ii) the maximum number of concurrent users being more than one (1) in which case you must purchase single seat licenses for each additional concurrent user.

Use of software or any device that reduces the number of computers/devices which access the Software when used in a Server configuration may affect the performance of the Software and does not reduce the number of single seat licenses required.”

The following modifies and replaces the text contained in subsection 4 of Section 2 of the Agreement:

- “4. install or use the Software on the Internet, including, without limitation, use in connection with a Web hosting or similar service.”

Except as expressly amended hereby, all terms and conditions of the Agreement shall continue in full force and effect. Any reference to the term Agreement shall include this Amendment. In the event of a conflict or inconsistency between the terms and conditions contained in this Amendment and those contained in the Agreement, the terms and conditions in this Amendment shall prevail.
