AICTE Activity Report

College Name: S.J.P.N. TRUST HIRASUGAR INSTITUTE OF TECHNOLOGY, NIDASOSHI

Branch Code : EE

SL.NO	USN	Student Name	No Of Activity Conducted	Activity Details	Minimum Activity Points	Total Obtained Points
1	2HN20EE001	ABHINANDAN DODDANNAVAR	5	<p>A10 => A critical component in any waste management program is public awareness and participation, in addition to appropriate legislation, strong technical support and adequate funding. Waste is the result of human activities and every one needs to have a proper understanding of waste management issues, without which the success of even the best conceived waste management plan becomes questionable.</p> <p>A15 => The Swachh Bharat Abhiyan, launched in 2014 by the Indian government, is a nationwide cleanliness campaign aimed at achieving the vision of a "Clean India" by 2nd October 2019, coinciding with the 150th birth anniversary of Mahatma Gandhi. It encompasses various initiatives such as constructing toilets, promoting cleanliness in public spaces, waste management, and behavioral change campaigns to foster a culture of cleanliness and hygiene among citizens.</p> <p>A3 => Water scarcity is serious problem throughout the world for both urban & rural community. Urbanization, industrial development & increase in agricultural field & production has resulted in overexploitation of groundwater & surface water resources and resultant deterioration in water quality. The conventional water sources namely well, river and reservoirs, etc. are inadequate to fulfill water demand due to unbalanced rainfall.</p> <p>A7 => This abstract provides an overview of AICTE's concerted efforts towards rural skill development, encompassing a spectrum of interventions spanning education, training, and capacity-building initiatives. Through strategic partnerships with governmental agencies, educational institutions, and industry stakeholders, AICTE endeavors to create an enabling ecosystem conducive to skill acquisition and entrepreneurship in rural hinterlands.</p> <p>A8 => The aim of the activity is to provide necessary information about digital financial transactions to replace the traditional payments system of using currency notes. Digital payment is a way of payment which is made through digital modes. In digital payments, payer and payee both use digital modes to send and receive money. It is also called electronic payment. No hard cash (currency notes) is involved in the digital payments</p>	100	100

2	2HN20EE002	ADITYA RAJU CHOUGALE	5	<p>A10 => A critical component in any waste management program is public awareness and participation, in addition to appropriate legislation, strong technical support and adequate funding. Waste is the result of human activities and every one needs to have a proper understanding of waste management issues, without which the success of even the best conceived waste management plan becomes questionable.</p> <p>A15 => The Swachh Bharat Abhiyan, launched in 2014 by the Indian government, is a nationwide cleanliness campaign aimed at achieving the vision of a "Clean India" by 2nd October 2019, coinciding with the 150th birth anniversary of Mahatma Gandhi.
