APPENDIX-7

Norms for Faculty Requirements and Cadre Ratio of the Technical Institutions

7.1 Diploma/ Post Diploma Certificate Programme

Programme	Faculty: Student based on Approved Intake	Principal/ Director	Head of the Department	Faculty	Total
		A	B	C	D = A+B+C
Engineering and Technology/ Applied Arts and Crafts Design/ Hotel Management and Catering Technology	1:25	1	1 per Department	$(S/25) - 1$	$S/25$

S - Sum of the number of students as per "Approved Intake" at all years

7.2 Under Graduate Degree Programme

Programme	Faculty: Student based on Approved Intake	Principal/ Director	Professor	Associate Professor	Assistant Professor	Total
		A	B	C	D	A+B+C+D
Engineering and Technology	1:20	1	$\frac{S}{20 \times R} - 1$	$\frac{S}{20 \times R} \times 2$	$\frac{S}{20 \times R} \times 6$	$\frac{S}{20}$
Planning	1:16	1	$\frac{S}{16 \times R} - 1$	$\frac{S}{16 \times R} \times 2$	$\frac{S}{16 \times R} \times 6$	$\frac{S}{16}$
Applied Arts and Crafts	1:15	1	$\frac{S}{15 \times R} - 1$	$\frac{S}{15 \times R} \times 2$	$\frac{S}{15 \times R} \times 6$	$\frac{S}{15}$
Design	1:15	1	$\frac{S}{15 \times R} - 1$	$\frac{S}{15 \times R} \times 2$	$\frac{S}{15 \times R} \times 6$	$\frac{S}{15}$
Hotel Management and Catering Technology	1:20	1	$\frac{S}{20 \times R} - 1$	$\frac{S}{20 \times R} \times 2$	$\frac{S}{20 \times R} \times 6$	$\frac{S}{20}$

S - Sum of the number of students as per "Approved Intake" for all years, $R = (1+2+6)=9$

However, Institutions Deemed to be Universities/Institutions having Accreditation/Autonomy status shall have Faculty: Student ratio of 1:15 in Under Graduate Degree Level in Engineering and Technology and maintain a better Cadre ratio in order to achieve excellence in Technical Education & Research.

FOREWORD

All India Council for Technical Education (AICTE) was established in 1945 as a National Level Apex Advisory Body and as a Statutory body by an Act of Parliament in 1987 for developing and promoting quality technical education in the country in coordinated and integrated manner. Over the years higher education, particularly technical education has become inclusive and available to all those who were interested from the initial days whereas earlier it was the fortunate few who had access to higher education particularly technical education. It has been endeavour of AICTE to make quality technical education inclusive and affordable to all. AICTE has taken several proactive measures for planned and qualitative growth of technical education and effectively implemented the same.

AICTE has changed its role from regulator to facilitator and has been ensuring that with changing time and new discovery/changes in technical education, the curriculum remains relevant and dynamic. Relevant changes have been incorporated in Approval Process Handbook which is published annually. Focus has always been on quality of education, simplicity of procedures and transparency in implementation. It has always been two-way communication, suggestions of all education partners / stakeholders have been considered and implemented wherever practicable.

In the midst of covid crisis, nation has risen successfully and is chartering a new territory in education.

National Education Policy 2020 (NEP) aims to bridge the gap between current learning outcomes and what is required through undertaking major reforms that brings the highest quality, equity and integrity into the system. National Education Policy (NEP) envisages multidisciplinary education so that boundaries are removed to promote overall development of students in different disciplines. In this regard, in line with NEP, AICTE has added several subjects in the eligibility list apart from Physics, Mathematics and Chemistry. Further

NEP 2020 envisages that Technical Education shall be imparted in Indian Languages also. AICTE has already initiated steps and granted approval for conducting technical courses in Indian Languages. It can be said AICTE has adopted the vision of NEP regarding flexibility, multidisciplinary and innovation in true spirit. Good infrastructure and enrolment of students only cannot ensure quality technical education unless focused attention is given on quality teaching learning.

Endeavour of AICTE has been on supporting the institutions to get autonomy, accreditation ranking etc. through Margdarshan, Adjunct faculty, Unnat Bharat Abhiyan, Research Promotion Scheme. AICTE Doctoral Fellowship (ADF), Short Term Training programme (STTP), National Initiative for Technical Teachers Training (NITTT), AICTE – IDEALAB, a MOOCs platform SWAYAM, Start-up Policy etc. Model Curricula Teacher Training Programmes for both new Teachers and in service Teachers through ATAL academies, Student Induction Programme, Mandatory Internship for students, Recognition to the teachers, Examination Reforms, Support for Innovation and entrepreneurship, Industry Interaction Cell, National Prospective Plan are some of the innovative ideas implemented by AICTE.

Instead of major changes, attempts have been made in this Approval Process Handbook 2022-23 to consolidate and refine the guidelines which are already there so that process of evaluation of applications of the institutions become hassle free. AICTE assures to all the stakeholders that it will continue to be a facilitator taking care of changing needs of all concerned and hope that with concerted effort of all concerned, quality of technical education in India will reach a new pinnacle during coming days.

This handbook is an attempt to provide comprehensive information on the fair and rational system of administration as well as other necessary information on the processes involved under the aegis of AICTE. The emphasis on e-governance to ensure transparency and accountability, and implementing a tech-savvy approach to enable faster processing and clearly defining the Infrastructural norms in Institutions are just a few pointers towards AICTE's efforts at fostering a technical education system which is on par with the best institutions in the world.

The slogan of this year is "*Vigyan Sarvatra Pujiyate*" means science is revered all over and will display our scientific legacy and technology prowess that have helped find solutions to problems in defence, space, healthcare, agriculture, astronomy, and others. Society should respect and revere science and the scientific community, and this would be possible only through constant interactions between the scientific community with the public. If this happens, it will indeed create a new stronger India that can address the challenges humanity may encounter in the near future, especially in sharing the resources essential for maintaining healthy life on this planet.

Swami Vivekananda said, "Education is the manifestation of the perfection already in man". In keeping with this objective, apart from regulatory role, AICTE shall continue to strive to be a true mentor, facilitator and enabler in bringing out the best in each Institution. We hope all the education partners/stakeholders of technical education shall also put in their best and make team India proud and make "*Atmanirbhar Bharat*" a reality.

योग: कर्मसु कौशलम्

(Excellence in action is Yoga)

Prof. Anil D. Sahasrabudhe
Chairman, AICTE
