

INDUSTRY VISIT REPORT

1. Name of the college

ICAT Design and Media College
424, Hosur Main Road, Bommanahalli
Bangalore- 560 068

2. Purpose of Visit

The purpose of this visit was to create awareness among the young minds on the creative technologies & promising opportunities that the industry has to offer. Also, to enrich students with useful information related to the practical aspects of the educational course which cannot be visualized in lectures.

3. Duration

17-02-2017 & 18-02-2017 (2 days)

4. Details of industrial visit

This college is India's No .1 Design and Media College situated at Bangalore, Chennai and Hyderabad. It provides courses for graduation and also master's in animation, visual media, visual effect, advertising design, multimedia technology, photography and many more.

5. Relevance to Academics

It was very helpful for us as we came to know about the Various courses which somewhere down line connect to our computer science engineering and their scopes and how we can build our carrier in those fields.

6. New Knowledge Acquired

We didn't knew more about other courses and scopes, so it was a good opportunity for us to get this knowledge which completely new for us.

7. Outcome of the visit

This visit was memorable one we came to how life is at Bangalore and more over knowledge of other courses after BE if one wants to study further he/she can pursue carrier in these courses other then master's. Friendship goals and bonding within class is also improved.

8. Summary

We left college in the evening at around 6pm on 16 February 2017 to Bangalore and reached by 5am on 17 February 8.30am we left to ICAT College after reaching there they presented about their college and the course they provide after that we had visit to Iskcon temple and Orion mall, then on the second day we visited vidhan Soudha and WonderLA and enjoyed at fullest, it was most memorable one.

HOD
C.S.

Dear Sir / Madam,

Subject: Inviting Final Year Students for an Industrial Visit to Bangalore

The world is in the midst of a sweeping transformation: from Industrial Economy to Creative Economy, which generates wealth by harnessing intellectual labour and which is now recognized widely as a generator of jobs, wealth and cultural engagement. This compels every nation to enrich its Creative Economy — not just in technology and software, but across design, entrepreneurship, arts, culture and entertainment. As India work towards building its creative economy, numerous avenues of opportunities are open today that invites young talents. Also, such opportunities are a perfect blend of creativity and technology that will best suit engineering minds with a creative tweak.

As a pioneer in Creative Design and Media education continuously working towards the industry growth in India, we at ICAT Design and Media College feel the necessity to create awareness among the young minds on the creative technologies and the promising opportunities that the industry has to offer. In this regard, we extend a warm invitation to selected colleges of repute in Tamilnadu, Pondicherry, Kerala, Andhra Pradesh, Telangana & Karnataka to visit our premises at Bangalore to understand more in detail about the creative sectors. We assure that it would be an excellent opportunity for students and lecturers to interact with our Research & Development Team on any one of the following cutting-edge technologies preferred by the students.

1. **Game Design & Development for Mobile, Console, PC & Internet Platforms**
2. **UI (User Interface) / UX (User Experience) / App Development**
3. **Computer Graphics , Animation and Multimedia**

Considering the constraints in time, space and availability of staff, we shall be able to provide this opportunity only to five colleges on a mutually convenient date over the next few months. If you are interested in availing this opportunity, we request you to send us the filled-in Registration Form (herewith attached) and coordinate with me directly. Confirmation of visit shall be on the basis of first-cum-first-serve. If you are interested to confirm at the earliest, you may contact me directly at **09538377112**.

Note: The program is offered only for Final year students. The program is Free of cost.

Thanks & Best Regards

Usha S

Sub: Final year CSE Students for Industrial visit at ICAT College

Dear Sir,

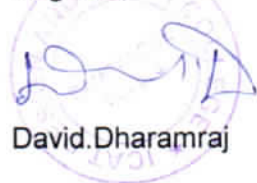

This is to state that your 4th year CSE Students visited ICAT DESIGN AND MEDIA COLLEGE on 17th Feb. 2017, for Industrial Visit.

The topic for the workshop was career opportunities in Media and Design industry (Gaming/UID/UX/Animation/Visual Effects)

We are happy to inform you it was a very interactive session and the students were very thrilled to know about the career opportunities in design and media.

Our best wishes for their future Endeavor.

Regards,

David.Dharamraj
