Dear Sir,

This is a request to seek your kind permission for an industrial visit to your organization. As per our university norms, Engineering students are expected to visit prominent industries and companies for an exposure to the latest trends. Consequently, the 49 pre-final year students & 4 faculties of Computer Science Department of our college, desire to visit the organization as per your convenience.

We would immensely grateful to you if you could please allow us to visit your organization. Please sanction our request and inform us.

Thanking you

Hi Debjit, Jagadish

As per the guidelines, the visit can happen only on a weekend preferably Sat, and will have to be anchored by either one of you end to end.

You will have to connect with Security and FAC for whatever support is required. And also, you will have to be present with the group (not more than 75 including faculty) when they visit.

If the above is fine, pls share the proposed date of visit and student details with security and a copy to me.
