Sub: Branding Support - Industry-Academia Collaboration

21 December 2021

Dear Dr. Kamate,

Greetings from Bosch!

Thank you for sending the Acknowledgment letter from your institution. We are happy to welcome your institution to collaborate with Bosch as a part of our CSR Industry-Academia Collaboration initiative.

I am sure you will agree that this opportunity of working together on skill development is in line with the New Educational Policy-2020, which emphasizes the strategic and sustained inclusion of vocational skills in all educational spectrums.

With Bosch's expertise in skill development since 1961, reinforced by the President of India's "Best Establishment Award" 54 times for its technical trade training programs, followed by prestigious awards such as the FICCI CSR Award for employability skill development excellence for our flagship program "BRIDGE", we are confident to be a reliable partner in your efforts on skilling the youth.

With reference to our provisional empanelment letter, we are pleased to provide 6 posters as support by way of some branding for Industry-Academia collaboration at your institution.

We look forward to an impactful journey ahead.

Thank you.

With warm regards,

Dr. O. P. Goel

Senior General Manager
Head - Bosch India Foundation
CSR & Skill Development

Acknowledgement

We have received 6 posters for Industry-Academia Collaboration initiative.

Our ref

Dear Sir/Madam

The Bosch Group, a leading global supplier of technology and services, comprises roughly 440 companies in 60 countries. This includes 14 Bosch group companies in India. For over 60 years, Bosch in India has developed extensive expertise in the realm of occupational training. Since the establishment of Bosch Vocational Centre (BVC) in 1961, Bosch has successfully implemented the German 'Dual' Model of vocational training suited to Indian industry requirements.

In line with the direction given in the National Education Policy'20 and to support the agenda of 'Employable Vocational Education and Skill Development' in higher education, we are planning to support few selected Universities/Colleges/Institutes as a part of our CSR- Industry Academia Collaboration initiative.

The course contents developed by us towards the following topics will be provided to the selected educational institutes and one of the trainer will be trained, online, to deliver the material to the interested students. Have conceptualized following two initiatives and are in the process of identifying few interested and committed academic partner institutions, who wish to implement the same. We believe that each student in our country should take up these courses.

- I. Skill Entrepreneurship for youth
- II. Future Human Competencies (Future Skills)
- III. The making of a developed country (Soft Skills & right attitudes)
- IV. Social Responsibility

We are enclosing an 'expression of interest' form herewith. If you are interested to get more details about this initiative, please fill up the form (Interest letter), provide the contact details of one person from your institute and send this form through mail to us at csr@in.bosch.com.

Thanking you and looking forward!

Best Regards,

Dr O P Goel

Head – Bosch India Foundation,
CSR & Skill Development
