Sub: Branding Support - Industry-Academia Collaboration

21 December 2021

Dear Dr. Kamate,

Greetings from Bosch!

Thank you for sending the Acknowledgment letter from your institution. We are happy to welcome your institution to collaborate with Bosch as a part of our CSR Industry-Academia Collaboration initiative.

I am sure you will agree that this opportunity of working together on skill development is in line with the New Educational Policy-2020, which emphasizes the strategic and sustained inclusion of vocational skills in all educational spectrums.

With Bosch's expertise in skill development since 1961, reinforced by the President of India's "Best Establishment Award" 54 times for its technical trade training programs, followed by prestigious awards such as the FICCI CSR Award for employability skill development excellence for our flagship program "BRIDGE", we are confident to be a reliable partner in your efforts on skilling the youth.

With reference to our provisional empanelment letter, we are pleased to provide 6 posters as support by way of some branding for Industry-Academia collaboration at your institution.

We look forward to an impactful journey ahead.

Thank you.

With warm regards,

Dr. O. P. Goel

Senior General Manager
Head - Bosch India Foundation
CSR & Skill Development

Acknowledgement

We have received 6 posters for Industry-Academia Collaboration initiative.

Our ref

Dear Sir/Madam

The Bosch Group, a leading global supplier of technology and services, comprises roughly 440 companies in 60 countries. This includes 14 Bosch group companies in India. For over 60 years, Bosch in India has developed extensive expertise in the realm of occupational training. Since the establishment of Bosch Vocational Centre (BVC) in 1961, Bosch has successfully implemented the German 'Dual' Model of vocational training suited to Indian industry requirements.

In line with the direction given in the National Education Policy'20 and to support the agenda of 'Employable Vocational Education and Skill Development' in higher education, we are planning to support few selected Universities/Colleges/Institutes as a part of our CSR- Industry Academia Collaboration initiative.

The course contents developed by us towards the following topics will be provided to the selected educational institutes and one of the trainer will be trained, online, to deliver the material to the interested students. Have conceptualized following two initiatives and are in the process of identifying few interested and committed academic partner institutions, who wish to implement the same. We believe that each student in our country should take up these courses.

- I. Skill Entrepreneurship for youth
- II. Future Human Competencies (Future Skills)
- III. The making of a developed country (Soft Skills & right attitudes)
- IV. Social Responsibility

We are enclosing an 'expression of interest' form herewith. If you are interested to get more details about this initiative, please fill up the form (Interest letter), provide the contact details of one person from your institute and send this form through mail to us at csr@in.bosch.com.

Thanking you and looking forward!

Best Regards,

Dr O P Goel

Dear Sir,

We are thankful for the courtesy and interest demonstrated to work together.

We will surely move ahead. I am travelling and so Mr. Pramod will ensure all the formalities are completed.

Thanking you.

With best regards,

As a part of Industry-Academia Collaboration and establishing Idea laboratory in the department, Mr. Pramod Parit, Senior Executive HR, Creintors Automation Solutions Private Limited, Belagavi has been conducted Awareness Programme on “Creintors Driven Course on Multidisciplinary Skilled Live Projects” on 21st January 2022 at 12.00 Noon in Mechanical Seminar Hall. The students from all the departments have been participated in the event.

MEMORANDUM OF UNDERSTANDING

BETWEEN

S.J.P.N. Trust's
HIRASUGAR INSTITUTE OF
TECHNOLOGY, NIDASOSHI-591236
DEPARTMENT OF MECHANICAL ENGINEERING

AND

TECH FORTUNE TECHNOLOGIES,
BANGALORE

MEMORANDUM OF UNDERSTANDING

BETWEEN

DEPARTMENT OF MECHANICAL ENGINEERING

S.J.P.N. Trust's

HIRASUGAR INSTITUTE OF TECHNOLOGY, NIDASOSHI-591236

AND

TECH FORTUNE TECHNOLOGIES, BANGALORE

This memorandum of Understanding (MOU) made and executed on this **First day of March 2021** between **DEPARTMENT OF MECHANICAL ENGINEERING OF HIRASUGAR INSTITUTE OF TECHNOLOGY, NIDASOSHI**, an educational institute in Engineering & Technology and located at Nidasoshi, Pin- 591236, Karnataka state and represented by **Dr. S.C.Kamate, Principal** here in after called **INSTITUTE** (Which expression shall include its successors and assigns)

Of the first part:

And

TECH-FORTUNE TECHNOLOGIES, BANGALORE. A company registered and having its branch office at 18th & 22nd Main Subbanna Garden Road, Vijayanagar, Bangalore-560040. And represented **Mr. Mallikarjun Kulkarni, CEO**, here after referred to as **COMPANY**, which shall mean and include

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

To provide a formal basis for initiating interaction between **INSTITUTE** and **COMPANY** in mutually beneficial areas such as:

- Internship to students
- Staff exchange program
- Sponsoring projects for students
- Support for research activities
- Placement assistance for students
- Establishing Industry attached Laboratories
- Students & Faculties Vocational Trainings

2. PROPOSED MODES OF COLLABORATION

INSTITUTE and **COMPANY** propose to collaborate through

- Sponsoring student projects / fellowships in Four Years of B.E.Course
- Sponsoring R&D projects, which may be carried out wholly at **INSTITUTE** or at premises of **COMPANY** or partly at **INSTITUTE** and partly at **COMPANY**
- Any other appropriate mode of interaction agreed upon between **INSTITUTE** and **COMPANY**
- Internship / Placement assistant for Pre-final year & Final Year Students

- e. Each of the above modes of interaction will be initiated by entering into a separate agreement between the two parties.

3. FORMS OF RESEARCH AND DEVELOPMENT PROGRAMS

The form of any of the said Research and Development Program (hereinafter referred to as —Research Program) will be subject to a separate Research Agreement entered into by the Parties but may also include the following:

- a. **In their own existing facilities** - The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate research and development facility** - The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.
- c. **Third parties** - The performance of research by the Parties together with one or more third parties.

4. TECHNICAL AREAS OF COLLABORATION

The principal technical areas of collaboration between INSTITUTE and COMPANY will be as set out as mutually beneficial areas of interest.

5. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. The nature, scope and schedule of the research collaboration.
- b. The form of the research collaboration.
- c. The estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. The treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not Patented, designs not registered etc.) Which result from the research collaboration or which belong to a party and are used in research collaboration.
- e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

6. CONFIDENTIALITY

- a. During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - Is already known or become known to the receiving party

- Is received from a third party having no obligations of confidentiality to the disclosing party,
- Is independently developed by the receiving party; or
- Is required to be disclosed by law or court order.

7. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

8. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire 3 years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

9. RELATIONSHIP

Nothing in this MOU shall be construed to make party a partner, an agent or legal representative of the other for any purpose.

10. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

Department Advisory Committee Meeting

2019-20 and 2020-21

Page No.

Date: 13/11/2021

ME/AY: 21-22/DAC/07 DAC Meeting - 7

NOTICE

All the Department Advisory Committee members are hereby informed to attend the meeting on 13th Nov 2021 at 11.00 am in HOD Chamber. This meeting is conducted for two academic years because of pandemic situation.

Agenda of the meeting

1. Review of academic performance, PO/PSO attainment co-curricular activities beyond syllabus of previous years.
2. Discussion to finalize gap identification of beyond curriculum and activities to mitigate the identified gaps.
3. Review of mapping and justification of PEO's with department mission elements.
4. Review of indirect methods to attain PO's and PSO's and inclusion of more indirect assessment tools.
5. Review of new bench mark set for assessment and attainment.
6. Discussion on quality of students project and publications.
7. Discussion on industry academia collaboration and establishment of industry attached laboratory.
8. Any other matters.

Proceedings of the meeting.

1. HOD welcomed all the members of the committee.
2. DAC members reviewed the academic performance PO/PSO attainment, cocurricular activities beyond syllabus of previous years and found satisfactory.
3. The gap identification and efforts to mitigate through activity has been verified and

Contd...

found Satisfactory.

3. The revision of mapping and justification process discussed in the HOD meeting

ME/AY: 2021-22/Aca/meeting/proceedings/22

Dtd: 02.11.2021 has been verified and found Satisfactory and approved the same.

4. The inclusion of new indirect methods for PO and PSO attainment in the above mentioned HOD meeting no. 22 has been verified and approved the same.

5. The new bench mark system for assessment and attainment of CO, PO and PSO discussed in the HOD meeting no. 22 has been verified and found Satisfactory and same has been approved.

6. The reforms made in the department to enhance quality of the students project and publications has been reviewed and suggested to implement and follow the same.

7. The industry academia collaboration with BOSCH India Pvt. Ltd. and Creintors Automation Solutions Pvt. Ltd. has been discussed and reviewed. The DAC members are suggested to implement the same.

The DAC members reviewed the efforts to establish industry attached laboratories with BOSCH India Pvt. Ltd (Skill Development Lab) and Creintors Automation Solutions Pvt. Ltd (Idea Lab) and suggested to establish the same.

8. The DAC members gone through the Academic Audit reports of previous two years and suggested to incorporate the findings and recommendations.

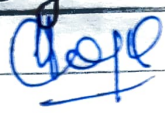

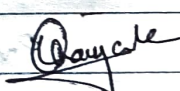

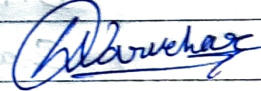

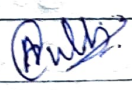

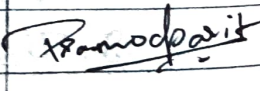

9. DAC members verified all the documents

Contd...

of policies framed and appreciated the same.

HOD thanked all the committee members for their present and valuable suggestions.
