- PLC System
- Logic Gates
- Types of PLC
- Language of PLC
- Wiring Diagram of PLC
- Ladder Logic Programs
- Latch & Unlatch
- Time ON/OFF Delay
- Counters

Advanced PLC (Allen Bradley & Siemens)

- Allen Bradley PLC & Siemens PLC
- Configuration of MicroLogix 1400 & S7 200
- Communication of PLC to PC
- Programming Using RSLogix 500 and Step 7 Software
- Basic Programming
- Set & Reset
- Timers & Counters
- Arithmetical & Comparisons
- Analog Programming
- Application Modules Such as Food Processing, Alarm System, Bottle filling plant, Traffic Light Control System, Conveyor System, Temperature Control System, Conveyor Control System Etc..

SCADA & HMI

- Architecture
- Protocols
- SCADA Standards
- TAG Development
- Communication with PLC
- HMI (Human Machine Interface): Touch Screen
- Alarm(Real Time/Historical)
- Trends
- Simulation
- Communication of HMI with diff PLC

FOR WHOM:

BE / DIPLOMA / ITI Electrical,
Mechanical, Electronics,
Instrumentation, Electronics and Telecom.

COURSE DURATION :

Part Time: 2 Weeks

Full Time: 1 Week

OUR SERVICES

FOR COLLEGE/INSTITUTES

- 5 Days / 1 Week In Campus Training Program
- MOU With Institutes for Training & Industrial Visit
- Assistance in Development of Different Laboratories
- Faculty Development / Train the Trainer Program
- In-Plant Training Assistance

FOR STUDENTS

- 100% job oriented training
- Academic project guidance & training
- 1 Week Crash Course
- Module wise Short Term Learning Courses
- Certificate After Completion of Course

FOR CORPORATE PROFESSIONALS

- Fully customized in-house training programs
- 25+ years of experienced International trainer

XEEPL INDUSTRIAL AUTOMATION TRAINING CENTER

ABOUT US:

- A Very Well Recognized Best Training Equipment Manufacturer Company in India.
- More Than 15+ Years of Core Experience in Technical Training
- An ISO 9001:2008 Certified Company.
- Govt. Registered Private Limited Company
- Largest client Database in Technical Training in Domestic as well as International Market

VISION:

Vision of XEEPL Industrial Training Center is to

- To create an academic environment & Technical education system that promote and ensure learning.
- To bridge the gap between expected skill sets in the Industry and outcome of the Institutes.
- To serve as a valuable resource for Institutes, industry and society. Contribute to India and the World through excellence in technical education.

MISSION:

In pursuance of its vision and guiding principles, the XEEPL Industrial Training Center organize training programs to facilitate the development of Fresh and committed professionals for developing and sharpening their technical skills in the field of Industrial Automation, Process Control Systems, Instrumentation to the larger community, at the local, regional, national and international levels.

WHY TO PREFER US:

- Spacious classrooms & comprehensive training labs with state-of-the-art facilities
- Our Industry experienced professionals provide Engineering /Consulting / Training in Industrial Control & Automation systems.
- Industry relevant curriculum.
- Provide in depth, hands on training on different industrial process Control Systems with theoretical and practical sessions.
- Project / Problem based Training.
- Accommodation Facility for outstation Students.
- Small batch size for better learning & interactions
- We offer a comprehensive technical training Program that would be useful to gain, uphold and optimize their automation skills.
- Affordable fees.
- Real time projects Modules.
- Free Career advice.

NEED OF INDUSTRIAL AUTOMATION:

- High productivity
- High efficiency
- Low space
- Wider Functions
- Fast Response time
- Simpler installation
- Value for money
- Easy to troubleshoot
- Diagnostic features
- Flexibility

Automatically controlled operation
apparatus, process, or system by
mechanical or electronic devices that
take the place of human labor.

Dear Sir/Madam,

It is to bring to the notice of all the faculties and staff members that Mr. Gangadhar Huddar, An Alumnus of Mech Dept. of our institute, presently working as Scientist in BARC, Mumbai, who has been honored with "Young Engineer Award" by BARC, Mumbai, is visiting to our institute today. Hence, felicitation to alumnus and an alumni interaction has been arranged with final year Mech students today at 12PM in Mechanical seminar hall. Hence, all the faculties and staff members those who are free during 12PM to 1PM are requested to attend the program.

Thanking you,

Thanking you,

With Warm Regards,

To,
Prof. Jagadeesh A Desai
Director and CEO
Society for Mathematical Engineering
Kolhapur.

Dear Sir,

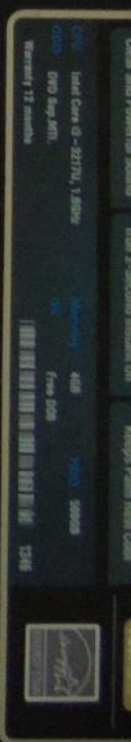

We are very much pleased to thank you for accepting our invitation and giving seminar on "Career pathway after B.E" which was organized for IV and VI SEM BE (Mechanical) students in the Department of Mechanical Engineering on Monday 8th May 2017. Further, kindly accept our gratitude for enlightening our students with your knowledge and valuable suggestions. The students have benefited immensely and will cherish these moments forever.

We shall look forward to receive you in the Campus often and often in the coming days.

**INTERNATIONAL CONFERENCE ON
RECENT INNOVATIONS IN ENGINEERING**

ORGANIZED AT:

S.J.P.N. Trust's

HIRASUGAR INSTITUTE OF TECHNOLOGY

Nidasoshi-591236, Tal: Hukkeri, Dist:Belagavi, Karnataka, INDIA

CONFERENCE TOPICS

Topics of interest include but not limited to :

Electrical Engineering

1. Energy Systems & Energy Management
2. Renewable Energy Technology
3. Industrial Drives & Automation
4. Smart Grid Technologies
5. FACTS Technology
6. Power System Engineering
7. Power Conversion & Conditioning
8. Instrumentation & Control
9. Power Quality Improvement Techniques

Computer Engineering

1. Image Processing
2. Big Data and Predictive Analytics
3. Internet of Things
4. Pervasive and Ubiquitous Computing
5. Networks, Security and Cryptography
6. Mobile Computing and Cloud Computing
7. Heterogeneous Wireless Networks
8. Software Defined Networking
9. Cyber Crime and Digital Forensics
10. Agent based Software Systems

Mechanical Engineering

1. MEMS
2. CAD/CAM and Robotics
3. Product Development
4. Advanced Machine Design
5. IC Engines
6. Heat and Mass Transfer
7. Vibration and Control
8. Fluid Engineering Systems and Technologies
9. Advances in Manufacturing Engineering
10. Material Science & Mechanical Metallurgy
11. Production Management

Electronics and Communication Engineering

1. Computer and Intelligent Communication
2. Mobile and Optical Communication
3. Wireless Sensor Networks and Network Security
4. VLSI and Embedded Systems
5. Micro Electronics and Circuit systems
6. Biomedical Signal & Image Processing
7. Seismic/Array Signal Processing
8. Video & Digital Image Processing
9. Antenna and Microwaves
10. RF Communication

Paper Submission

Participants are requested to contribute original papers covering the above suggested topics (The topics are only indicative but not limited to) for presentation in the conference. The abstract should clearly indicate the Title, Authors name and their affiliation with email ID. The full paper should be prepared by using MS – Word with IEEE – paper format & strictly restricted to 6 pages inclusive of abstract. The papers and the registration forms along with the bank transactions for the paid fees should be sent by email to icrie-2016@hsit.ac.in.

Mode of Payment

Registration fee can be paid in the form of Demand Draft drawn in favour of "The Principal, H.I.T., Nidasoshi" payable at Nidasoshi or by cash deposit/ NEFT/Online Money Transfer. The Account details are as given below.

Bank : Karnataka Vikas Grameena Bank
Account Holder: The Principal, H.I.T., Nidasoshi
Account Number : 1705 900 2835
ISFC Code: KVGB 000 2509
Branch: Nidasoshi Extension (2509)
Type: Savings Bank

About the Institute

Hirasugar Institute of Technology, Nidasoshi was established in the year 1996 with the sole objective of offering technical education to the rural community of North Karnataka. The Institute is affiliated to the Visvesvaraya Technological University (VTU), Belagavi and recognized by All India Council for Technical Education (A.I.C.T.E), New Delhi. The Institute offers four Under Graduate (U.G.) and one Post Graduate (P.G.) Program. The Mechanical Engineering Department of the Institution has VTU recognized research centre. The Institute has spread over 48 acres of land with spacious infrastructure.

About the Conference

The International Conference on Recent Innovations in Engineering will be held on 8th and 9th October 2016 at Hirasugar Institute of Technology, Nidasoshi, Belagavi, and Karnataka. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as Industry to meet and share the cutting edge developments in the field of Engineering. The conference will also include plenary sessions and Invited talks from the eminent academicians/ Industry Personals.

Peer Review

All papers will go through blind review process before being accepted for publication. A Souvenir will be released at the inaugural which will contain the conference details, messages from dignitaries and abstracts of the contributors. The papers presented at the conference will be published with ISBN Number. The peer reviewed selected papers will be published in a reputed International Journal.

Last date of Abstract/ Paper submission	28 th August, 2016
Notification of Acceptance	1 st September, 2016
Submission of Camera Ready Copy	15 th September, 2016
Pre conference workshops	7 th Oct, 2016
Date of conference	8 th & 9 th Oct, 2016

Paper Registration Fees

The Registration fee for the Conference is as given below. The Registration fee includes the conference kit, lunch, tea and snacks during the conference. The accommodation will be available for limited number of participants on first come first served basis and on prior intimation.

Fee till 15 th September, 2016

To,
 The Proprietor,
 PATCO Transformer Industries,
 Nippani

Dear Sir/Madam,

Sub: Permission for Engineering Students to visit the PATCO Transformer Industries.

With reference to the above we, at the very outset, introduce ourselves.

Ours is a Technical Institution offering four years B E Degree Course in the disciplines of CS&E, E&EE, E&CE and ME, and two years M. Tech. Degree in Thermal Engineering in MED, and M. Sc (Engg) by research and Ph. D. Degree in MED. The annual intake is 318 and total student strength is 1300. We are successfully moving ahead in 20th year of existence in providing quality and affordable technical education to the needy intellectuals of this region.

As a part of VTU curriculum the students are expected to visit the actual sites dealing with engineering activities/functions and interact with the personnel at the site for witnessing the actual performance of the engineering systems and thereby gain the practical knowledge. Hence, our 6th - Semester Electrical & Electronics Engineering students are very much interested to visit the PATCO Transformer Industries, Nippani on 18th of March 2017.

Hence, I request you to accord your kind permission to around 68 students and 02 faculty members to visit the above said site. Intimate us as early as possible.

Hope you will kindly do the needful.
