LETTER OF APPRECIATION

I would like to place it on records that the students' feedback in the subject **Applied Thermodynamics(18ME42), AY 2021-22** you have taught for **IV Sem is more than 95%**. My compliments to you for your efforts in satisfying the students in teaching learning process.

Wishing you all the best.

With Regards,

**III. FEEDBACK ANALYSIS& ACTION TAKEN REPORT ON ACADEMIC PERFORMANCE
(Teaching-Learning) FROM STAKE HOLDERS**

The institute has a mechanism for obtaining feedback on Academic Performance (teaching-learning process) from students. The Feedback is collected twice in a semester. The questionnaires are framed mainly to assess the student's perception of quality of class room delivery and teachers participation in the process. The method adopted is Online Collection of feedback from students. Once the analysis is obtained the Performance is considered in Self-Appraisal of Faculty(SAF) and Letter of appreciation is issued to faculty if the percentage is above a certain bench mark and Advisory note is issued to the faculty members if it is below a certain benchmark.

Academic Year	Feedback Analysis Report	Action Taken
2022-23	Students have given moderate feedback for the question that the teacher covered relevant topics beyond syllabus. Remaining students have said that topics beyond syllabus has to be still covered.	NPTEL videos have been made available and shown to students. Workshops/Guest lectures were arranged to cover the topics beyond syllabus.
2021-22	Moderate feedback from students has been obtained for the question motivation and inspiration for students to learn and pace on which contents were covered and support for the development of students skill :i)Practical demonstration ii) Hands on Training and the clarity of expectation of students.	Students are informed about importance of Engineering and motivated to learn and teachers were advised to improve and strengthen in the areas of Weakness through advisory letter. Pedagogical teaching aids are being used by the teachers. The Practical demonstration was made through hands on in the lab. The subject was introduced for the first time and was handled for the first time by faculty.
2020-21	The feedback obtained in some subjects is moderate and is less than 80%,wheres in remaining subjects feedback obtained is more than 90%.	The feedback analysis report was distributed to all faculty members to note important aspects of the teaching learning process and to improve still further and to concentrate more in the subject to have more number of excellent parameter and to have less number of satisfactory and poor. Letter of Appreciation has been issued to faculty members having feedback more than 95%.
