Description of Activity: Project Exhibition cum best project selection of final year ECE students' projects was held on 22nd Maly 2019 to select the top three projects of the Department.

The event was organized as per the prior intimation and schedule. Students were asked to come with the project model and necessary things related to demonstration and soft copy of the project report. All the project groups presented working/algorithm and demonstrated theirproject models toHOD, jury members, projects guides. All the staff members were actively involved in this process. After the completion of presentation and demonstrationand questionary session by every batch, jury members evaluated the process out of 100 marks. After completion of presentations from all the project batches results were announced by considering the average marks of both the jury members. HOD and faculty members of the Department congratulated the top three selected batch students and also motivated the other batches.
