Description of Activity: Project Exhibition cum best project selection of final year ECE students' projects was held on 27th and 28th May 2020 to select the top three projects of the Department.

The event was organized through **Google meet** as per the prior intimation and schedule. Students were asked to join the meeting as per the schedule and to present their work done in project phase – II. All the project groups presented working/algorithm and demonstrated their model. HOD, jury members, projects guides and all the staff members were actively involved in this process. After the completion of presentation and demonstration of every batch the jury members assigned the marks out of 100. After completing all the batches results were announced by considering the average marks of both the jury members. HOD and faculty members of the Department congratulated the top project batches and also inspired the rest.
