Industrial Visit.

{RAJIV & COMPANY}

Coming Together is A beginning. Keeping together is progress. Working together is success.

We are going to the industrial visit of Rajiv Company belgaum. It is good experience. and I learn many things in Industrial visit. It is very helpful in our future and our education. We are met the owner of Rajiv Company Rajiv Sir. Sir is told all things to our group. We are learn more. Rajiv Company is one of the famous in valve production. This product is supply other countries also. Rajiv and company is a group company of Rao Enterprises and was established in 1996 as an engineering unit to manufacture valve components. Kavaata Valves are High Quality Ball valves manufactured by Rajiv & Company. And Rajiv Company manufactured Ball valves also.

This company was products (i) Ball valve.
(ii) Borend End & Pc Ball valve (iii) Cutting tools.

(iv) Automation of valves.

(v) Metal Seated Ball valves.

Product Features :-

- * Investment cast body & Adapters.
- * 100% factory tested
- * long Service life.
- * low torque design
- * Positive material.

Finally we are learn more things in industrial visit. I hope that is usefull of our life.
and I hope we enjoyed that industrial visit.
