**Description of Activity:**

The department of EEE organized soft skill training program for 3<sup>rd</sup> semester students. The resource person Prof. N. M. Patel interacted with students and discussed about difference between CV, resume and biodata. In this training program, the students were taught about some good etiquette to be followed while attending the interviews. The tips and guidelines for attending HR interview were also dealt in detail. Few frequently asked questions and the effective answers for those questions were discussed. In the last part of the session students are trained to write attractive CV and the program concluded with feedback from students and vote of thanks by Prof. K. B. Negalur.

| PSO3             | 1         | This activity addresses the ability to understand and solve public issues in the society and make stringent decisions and policies are very essential to achieve higher administrative positions.                  |

- The activity mapped with PO6, PO8, PO9, PO10, and PO12 was found satisfactory with attainment levels of 1.94, 2.91, 2.91, 1.94 and 1.94 against the mapped values during the impact analysis.
- The activity mapped with PSO3 was found satisfactory with attainment levels of 0.97 against the mapped value during the impact analysis

**Conclusion:** The activity organized to fulfill the program outcomes the engineer and society, ethics, individual and teamwork, communication and lifelong learning, and PSO3 has mitigated the gap identified satisfactorily to some extent.

**Future Suggestions:** Such activity can be extended through conducting placement-related activities/training/coaching for students and they can get through the campus selection in reputed companies and also promoting them for higher study as well as competitive exams.

**Subject: Proposal for collaboration for Placement Aptitude training programme.**

**(Training and Capacity Building Programme)**

Respected Sir/Madam,

I wish to render my exemplary services to the students of your esteemed institute. I have been into the field of training for government exams, public sector exams, **campus placement aptitude**, and career counseling for more than 5 years. With a very strong skill in Training Aptitude to students and getting them into campus placement, government and public sectors, I present you with the best in class services along with the state of art teaching techniques at reasonably affordable prices. Detailed Syllabus is mentioned below.

The overview of the syllabus is mentioned below.

Placement Aptitude Courses include aspects like

1) **Quantitative Aptitude.**

2) **Logical Reasoning**

3) **Mock Tests**

In addition to the above course I will guide them further for other competitive exams with below subjects

1) English Language, 2) General Awareness, 3) Banking Awareness, 4) Financial Awareness

5) Strategies to Crack Competitive Exams, 6) Career Guidance, 7) Online Mock Test.

The Above course will be useful for exams like **Campus Placement Aptitude, NRA CET, Railways, SSC, Banking, AFCAT, CDS, CLAT, MBA CET, CAT, CMAT, and Any Government Job Exams**

The above course will not cost less than ₹20,000 when a student tries to learn it independently in any coaching institute. And this is not affordable to all the students, for which I will provide this training to your college students at very low price.

TPO

Rs 700/hr x 30 hr  
= 21,000/-

15/01

I would like to propose the above course to your esteemed institute's graduating students.

To,

Mr. Anand Kanthi

Aptitude Trainer

Respected Sir,

**Subject:** Thanking Letter.

Thank you very much for delivering an informative & thought-provoking training session **"Training and Capacity Building Programme (Aptitude)"** (held from 06/02/2023 to 11/02/2023 at SJPN Trust's Hirasugar Institute of Technology, Nidasoshi.

It was really splendid & fruitful training on aptitude (30 hours) which exposed students in the field practice.

All the students are happy and got benefitted from your Aptitude Training.

Thank you.

**Subject: Proposal for collaboration for Placement Aptitude training programme.**

**(Training and Capacity Building Programme)**

Respected Sir/Madam,

I wish to render my exemplary services to the students of your esteemed institute. I have been into the field of training for government exams, public sector exams, **campus placement aptitude**, and career counseling for more than 5 years. With a very strong skill in Training Aptitude to students and getting them into campus placement, government and public sectors, I present you with the best in class services along with the state of art teaching techniques at reasonably affordable prices. Detailed Syllabus is mentioned below.

The overview of the syllabus is mentioned below.

Placement Aptitude Courses include aspects like

- 1) Quantitative Aptitude.
- 2) Logical Reasoning
- 3) Mock Tests

In addition to the above course I will guide them further for other competitive exams with below subjects

- 1) English Language, 2) General Awareness, 3) Banking Awareness, 4) Financial Awareness
- 5) Strategies to Crack Competitive Exams, 6) Career Guidance, 7) Online Mock Test.

The Above course will be useful for exams like **Campus Placement Aptitude, NRA CET, Railways, SSC, Banking, AFCAT, CDS, CLAT, MBA CET, CAT, CMAT, and Any Government Job Exams**

The above course will not cost less than ₹20,000 when a student tries to learn it independently in any coaching institute. And this is not affordable to all the students, for which I will provide this training to your college students at very low price.

TPD  
Rs 700/hr x 20 hr  
= 21,000/-

10/01

I would like to propose the above course to your esteemed institute's graduating students.

**Description of Activity:**

On 21<sup>st</sup> April 2023, EESSA organized Group Discussion event & it was conducted in NBA Seminar hall for final year and prefinal year students. The discussion was between three groups. At the beginning of the session everybody seemed hesitant in expressing their opinion but soon the discussion picked up the pace and the purpose of the discussion, which was to encourage students to speak up and boost their confidence, was fulfilled. Overall, the discussion was positive because each participant contributed good information and everyone listened with the utmost interest when other members were sharing their ideas. Lastly, Dr. B. V. Madiggond, Head of the department tried to draw attention of the students to summarise and conclude the event highlighting all the important points discussed by all the groups. Event was judged by Dr. B. V. Madiggond, Prof. H. R. Zinage, Prof. M. P. Yenagimath and Prof. O. B. Heddurshetti. Mr. Swapnil Mali got the first prize and Mr. Kunal Mane got the second prize.

### Impact Analysis and PO's & PSO's Attainment

**Activity Name:** A Technical Talk on "Professionalism & Engineering"

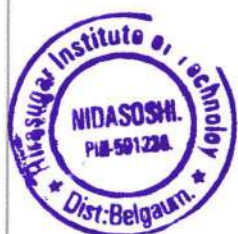

**No. of Respondents (N):** 39

**Grand Total Points given by all respondents (T):** 1658

**Impact Coefficient (IC=0-1):** Here,  $IC = T / (N * 50) = 1658 / (39 * 50) = 0.85$

| PO6              | 3         | This activity helping substantially for engineers in the fulfillment of professional duties and shall hold paramount the safety, health, and welfare of the public. Perform services only in areas of competence.                                                     |
| PO8              | 3         | This activity addresses substantially about engineers must perform under a standard of professional behavior that requires adherence to the highest principles of ethics.                                                                                             |
| PO9              | 3         | This activity addresses substantially through communication, team members can come up with new and creative ideas, hence problem-solving is Maximized with everyone approaches a problem with a different perspective, working together makes problem-solving easier. |
| PO11             | 2         | This activity addresses moderately demonstrates the experience, education, skill and competency required to lead and direct projects.                                                                                                                                 |
| PO12             | 3         | This activity addresses substantially important for an individual's competitiveness and employability, but also enhances social inclusion, active citizenship and personal development.                                                                               |
| PSO1             | 3         | This activity address substantially about social responsibilities of engineers include human safety and environmental protection in engineering designs. But it may extend further considerations of social justice issues.                                           |
| PSO3             | 3         | This activity addresses substantially common challenges mechanical engineers may encounter in their jobs, along with potential solutions to help find ways to overcome scope of responsibilities, Project deadlines and New technologies etc.                         |

1. The activity mapped with PO6, PO8, PO9, PO11 and PO12 was found satisfactory with attainment levels of 2.55, 2.55, 2.55, 1.7 and 2.55 against the mapped values during the impact analysis.

2. The activity mapped with PSO1 and PSO3 was found satisfactory with attainment levels of 2.55 and 2.55 against the mapped value during the impact analysis.

**Conclusion:** The activity organized to fulfill the program outcomes the engineer and society, ethics, individual and teamwork, project management & finance and lifelong learning, and PSO1 and PSO3 has mitigated the gap identified satisfactorily to some extent.

**Future Suggestions:** Such activities impart the students to encouragement of seek out new challenges and challenging industrial assignments to get employee comfort zone and provide opportunities to challenge to develop knowledge, skills and creativity.
