		AY:2023-24

Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

Visvesvaraya Technological University's (VTU) Web links for conduction of Semester End Examinations (SEEs) and Institute's Continuous Internal Evaluation (CIE) Mechanisms:

The institute is permanently affiliated to the Visvesvaraya Technological University (VTU). The VTU has well established robust online and transparent examination management system (EMS), question paper delivery system (QPDS), digital valuation system (DVS) for all CIE and SEE interactions/responses. The institute has adopted time-bound and efficient grievance redressal system for CIE and SEE as per the guidelines issued by the VTU. Hence institute conducting SEE and CIE as per the guidelines, rules, regulations and reforms framed by the affiliated university. As per the revision of the university curriculum in line with NEP-2020, the evaluation system has been reformed in two methods: 1) Continuous Internal Evaluation-(CIE) 2) Semester End Exam-(SEE). The CIE and SEE are evaluated in the 50:50 ratios respectively. Again, CIE has been divided into two methods: Internal Assessment Test (IAT) and Continuous and Comprehensive Assessment (CCA). The CIE is conducted centrally and assessed by the course coordinator and the SEE is conducted as per the university calendar and guidelines. The IATs and display of IAT marks are scheduled in the institute Calendar of Event-(CoE) and it is circulated to the students and faculty members in the beginning of the semester.

The VTU has made online provisions to the students, faculty and principal to submit their grievances and refer FAQs and also established student forum. The following are the weblinks of the VTU through which students can fill online examination forms, submit their grievances, receive notifications and hall tickets, time-tables and their results and report cards.
