## Chapter-1: Introduction

### 1.1 Background

1.1.1 Article 243G of the Constitution of India acknowledges Panchayats as institutions of 'Local Self Government' and mandates them to prepare plans for Economic Development and Social Justice. As Local Government, Panchayats are responsible for delivery of basic services to local citizens and addressing the vulnerabilities of the poor and the marginalized ones. This can only be achieved through the preparation of well thought out participatory, inclusive, and convergent local development plans taking into consideration of all available resources and its effective implementation.

1.1.2 It is envisaged that the planning process should be evidence based, comprehensive, and participatory, which involves convergence with schemes of all related Central Ministries/Line Departments related to 29 subjects listed in the Eleventh Schedule of the Constitution. The 29 subjects are quite relevant for achieving Sustainable Development Goals (SDGs). Therefore, need was felt to take forward the SDGs up to the last mile, i.e. up to Gram Panchayat level, leveraging wide networks and strong institutional mechanisms of the third tier of Government, including Traditional Bodies of non-part IX areas.

#### 29 Subjects defined in Eleventh Schedule

1.	Agriculture	2.	Poverty Alleviation Programme.
3.	Land Improvement	4.	Education.
5.	Minor Irrigation	6.	Vocational Education
7.	Animal Husbandry	8.	Adult and Non-formal Education
9.	Fisheries	10.	Libraries
11.	Social Forestry	12.	Cultural Activities
13.	Minor Forest Produce	14.	Markets and Fairs
15.	Small scale industries	16.	Health and Sanitation
17.	Khadi, Village and Cottage Industries	18.	Family welfare
19.	Rural Housing	20.	Women and Child Development
21.	Drinking Water	22.	Social Welfare
23.	Fuel and Fodder	24.	Welfare of the Weaker Section
25.	Roads	26.	Public Distribution System
27.	Rural Electrification	28.	Maintenance of Community Assets
29.	Non-conventional Energy		

1.1.3 Accordingly, the Ministry of Panchayati Raj has adopted thematic approach aggregating 17 Sustainable Development Goals into 9 broad themes to localize Sustainable Development Goals (LSDGs) at the grassroots level through Panchayats adopting the 'Whole of Government and Whole of Society' approach. Subsequent to the adoption of thematic approach by the Ministry, the **Panchayat Development Plans (PDPs) are being prepared based on thematic activities** since 2023-24 to achieve SDGs through active intervention of Panchayats by 2030 in a graduated manner, embracing the approach of (i) Convergence of all flagship schemes, (ii) Saturation of prioritized needs, and (iii) Usage of digital technology for ensuring transparency and

accountability.

1.1.4 Moving towards a saturation approach to achieve the International agenda of the SDGs, identification of gaps based on evidence/ real time data generated through the use of digital technology is very essential. Accordingly, the Ministry has started the process of preparation of the **Panchayat Development Index (PDI)**, which will be used to assess the progress and identify the gaps to prepare plan and implement the same to saturate the requirements in a phased manner.

## 1.2 The People's Plan Campaign (PPC)

1.2.1 To accelerate active people's participation in the process of preparation of Panchayat Development Plan, the People's Plan Campaign (PPC) was launched as "*Sabki Yojana Sabka Vikas*" in 2018 from 2<sup>nd</sup> October. 1.5.1 Ministry has prepared a portal/dashboard ([www.gdp.nic.in](http://www.gdp.nic.in)) to monitor the progress of the campaign. In order to assess, The State/UT/District/ Block/ Gram Panchayats need to provide updated information of the activities before, during and after the campaign in various reporting formats on the portal. The following procedure to be adopted for creation of nodal officers at different level:

- (i) States/UT to appoint Nodal Officers for the campaign. Username and password to operate the portal at the State level by respective Nodal Officers will be generated by MoPR at the Central level.
- (ii) For the District, Block and GP Facilitator level, the username and password will be generated at their next higher-level Nodal Officers.
- (iii) The State Level Nodal Officers of line departments will be responsible for appointing and uploading the names of frontline workers who will be deputed for Gram Sabha meetings on designated days.

## Chapter 2: Process for preparation of Gram Panchayat Development Plan (GPDP)

2.1 The GPDP is the development plan of the Gram Panchayat. It is to be prepared through a participatory process involving all stakeholders matching people's needs and priorities with available resources. The GPDP does three essential things:

- i) It provides a VISION of what the people would like their village to look like
- ii) It sets out clear GOALS to achieve that vision, and
- iii) Provides an ACTION PLAN to reach those goals.

2.2 The following are the key components of GPDP preparation cycle:

2.3 The steps to be followed for preparation in GPDP:

**2.3.1 Formation of Gram Panchayat Planning Facilitating Team (GPPFT):** GPDP is an important initiative that needs continuous efforts and active people's participation. Hence, GPPFT is to be created with pool of dedicated human resource who can voluntarily devote their services and remained involved at every stage of GPDP starting from environment creation for plan preparation to the approval of the plan at the Gram Sabha and implementation of activities. The representatives/ frontline workers of sectoral / line departments at GP level should invariably be the members of this team. The SHG/VO members may also be included in the GPPFT, so that the proposed activities of SHG/VO may directly be discussed. Apart from this, the citizens of the GP who are working/living elsewhere either in the country or outside should also be invited to become members of the GPPFT. This is aimed at harnessing their knowledge/skills and expertise for sustainable development of the GP area. The GP may divide the GPPFT members into "Ward Planning Facilitating Team" (WPFT) with a minimum of 3-5 members headed by the respective GP ward members to facilitate community-based planning processes of GPDP. WPFT is

responsible to ensure that all members and residents of their particular wards participate in the planning process actively and without any kind of hindrance and hesitation. To ensure that every thematic area under GPs are covered, the GPPFT members may further form thematic groups based on their relevant field experience.

**2.3.2 Environment creation and Community mobilization:** The environment creation activities are of immense importance to bring about attitudinal changes, outlook and re-orientation among the community and governance systems regarding their active participation in the decision-making process towards socio-economic development. After the awareness-creation process, the next step is to mobilize the community to take part in the process of identifying their needs and addressing them by preparation of Panchayat Development Plan. The whole process of awareness-creation and mobilization comes under the umbrella of environment building.

**2.3.3 Focus Areas in Planning:** Gram Panchayats are entitled to provide basic services and take up development works related to the functions devolved to them as per the Eleventh Schedule of the Constitution of India having 29 subjects, where GPs could work to ensure economic development and social justice. However, with the renewed focus on the localization of SDGs, **Gram Panchayats should prepare GPDP adopting following 9 thematic approaches:**

Theme 1: Poverty Free & Enhanced Livelihood village

Theme 2: Healthy Village

Theme 3: Child Friendly Village

Theme 4: Water Sufficient Village

Theme 5: Clean and Green Village

Theme 6: Village with Self Sufficient Infrastructure

Theme 7: Socially Just and Socially Secured Village

Theme 8: Village with Good Governance

Theme 9: Women Friendly Village

**2.3.4 Situation Analysis:** The consolidated and thematic **PDI score will be used as Development Status Report (DSR)** to assess the progress and to identify the gap for preparation of Gram Panchayat Development Plan.

**2.3.5 Visioning Exercise:** Gram Sabha to undertake visioning exercise on the basis of the findings of DSR. The visioning exercise is to ensure objectivity in planning, help to identify priorities in key thematic areas and set clear milestones to be achieved by the GP. Inputs from Mahila Sabha and Ward Sabha may also be considered in visioning exercise.

**2.3.6 Prioritization of Needs:** Based on the DSR, the GPPFT is to guide the deliberations in 1<sup>st</sup> Gram Sabha and Gram Panchayat meetings to prioritize the needs and crucial issues based on identified gaps. The prioritized theme may be taken as ‘Sankalp’ for preparation of GPDP.

**2.3.7 Resources Envelope:** The Gram Panchayat (GP) to estimate their resources to prepare the GPDP. The resource envelop includes Central / State Finance Commission Grants, funds under Central/ State Government Schemes, OSR etc. The **funds spent by the higher tiers like District Panchayat/ Autonomous Development Councils (ADCs) and Intermediate Panchayat in**

**Gram Panchayat should be part of resource of Gram Panchayat / Village Councils (VCs).** The planned activities need to be matched with the available resources.

**2.3.8 Organizing Special Gram Sabha:** A special Gram Sabha to be organized for the discussion on progress of GPDP of ongoing year, developmental status based on PDI, requirements and priorities, etc. Facilitators appointed shall ensure community mobilization including representation from vulnerable sections such as SCs/STs/ Women during the Gram Sabha. The frontline workers of each department are required to give a brief presentation on the activities undertaken, funds utilized for the current year and proposed activities, funds allocated, beneficiaries covered etc. for the next financial year and a statement of the same needs to be submitted to the GP. **Village Prosperity Resilience Plans (VPRP)** prepared by the SHG may also be discussed considering the availability of the budget within the resource envelope of the Gram Panchayat. **Based on the consensus, demands of VPRP may be incorporated into GPDP.**

**2.3.9 Preparation of Draft GPDP:** Draft plan shall be prepared indicating the works identified in each focus area along with cost estimation/fund allocation, timelines for completion of works. A special meeting of the GP shall be convened to discuss and finalize the changes before submitting the final GPDP.

**2.3.10 Finalization of GPDP:** In the presence of officials from all line departments and community including Panchayat President, Secretary and GP members, the GPDP document with project-wise details to be placed before the Gram Sabha for approval. A model schedule for conducting Gram Sabha meeting is at **Annexure-IV. The Minutes of GS Meeting are to be uploaded in the Panchayat Nirnay App/Meeting Online Portal.**

During the process, the minutes of the meeting are to be recorded properly, which may include apart from other proceedings;

- (i) Number of Attendees of the meeting
- (ii) Agenda
- (iii) Issues raised
- (iv) Items / activities discussed and agreed
- (v) Items / activities discussed and not agreed etc.

**2.3.11 Uploading Plan on e-Gram Swaraj portal:** The GPDP, as prepared and approved by Gram Sabha to be uploaded on revamped GPDP portal of e-Gram SWARAJ (eGS) application with complete profile of the Gram Panchayat. Thematic activities have been made available in the dropdown menu of planning module of eGramSwaraj portal. The VPRP activities has also been made part of the GPDP activity drop down under relevant themes. Accordingly, thematic activities including VPRP activities, which have been approved by Gram Sabha to be entered in the portal. Hard copy of the plan may be kept in the office of Gram Panchayat for public disclosure. The asset creation activities may be published on Public Information Board (PIB) at the beginning of the implementation year. *A sample of PIB is provided as Annexure-V.*

## Chapter-3: Preparation of Block and District Panchayat Development Plan

### 3.1 Introduction:

3.1.1 The Fifteenth Finance Commission (XV FC) recommended the devolution of funds to all tiers of Panchayats. The guidelines of the Ministry of Finance for the expenditure of XV FC funds mandated that the Block and District Panchayats will prepare Block Panchayat Development Plan (BPDP) and District Panchayat Development Plan (DPDP) respectively to book expenditure under XV FC funds. The District and Block Panchayats are getting substantial amount of XV FC grants and better placed in terms of other human and technical resources. Therefore, these tiers of Panchayats could prepare project based, **income generating, sustainable** Block and District Panchayat Development Plans. A list of indicative projects have been identified and made available in the list of activities in eGramSwaraj Portal for preparation of Block and District Panchayat Development Plans.

3.1.2 Most of the agencies implementing Central and State Government schemes are based in Block/ District headquarter, where Block/ District Panchayat is also situated. Therefore, for effective convergence and collective action, Block/ District Panchayats could play crucial role and facilitate in sharing of required information of schemes, resources, beneficiaries, etc. up to Gram Panchayat level for preparation of comprehensive and convergent development planning.

#### **Fifteenth Finance Commission (XV FC)–Implications for GPDP, BPDP and DPDP**

XV FC has allocated Rs.2,36,805 crore for Rural Local Bodies (RLBs) to all the tiers of Panchayats and also to the traditional bodies of Vth & VIth Schedule areas for the period of 2021-22 to 2025-26 of which 40% of the recommended grant will be untied grants and the remaining 60% as tied grants except 2021-22, wherein the ratio of tied and untied grant was 50:50.

- a) Untied grants (40% of total grants) can be used for felt needs under the 29 subjects enshrined in the XI schedule, except for salaries and other establishment costs. The expenditure required for auditing of accounts by external agencies approved by State Govt. may be borne from this grant.
- b) Out of tied grants (60% of total grants), 30% of the total grants to be utilized for drinking water, rainwater harvesting and water recycling and the remaining 30 % of the grants to be utilized for sanitation and maintenance of ODF status. However, if any local body has fully saturated one category, it can utilize the funds for other category. The respective Village Assembly/ Gram Sabha to certify this duly confirmed by the supervising authority or the State Governments.

The allocation amongst the tiers will be in the bands of:

- Gram Panchayats: 70% - 85%
- Block Panchayats: 10% -25%
- District Panchayats: 5% - 15%, total adding upto 100% on the basis of recommendations of State Finance Commission (SFC).

In 2 tier States, the bands are 70%-85% and 15%-30% for GPs/ DPs respectively. For traditional areas / excluded areas, the allocations will be on the criteria of 90:10 for population: area. The intra-tier distribution should be on the basis of population: area at 90:10 or as per accepted recommendation of SFC.

## **3.2 Preparation of Block Panchayat Development Plans (BPDP):**

**3.2.1** BPDP to be prepared through a participatory inclusive and transparent process with bottom up approach. Development needs for BPDP may be arrived at by consolidating gaps ascertained in GPDPs through Panchayat Development Index. The BPDP process envisages need based planning, supplementing the GPDPs and strives to contribute to National commitments. The plan activities of the line departments operating at the Intermediate Panchayat level should be integrated into the BPDP, although the same may be implemented by the line departments themselves. The process, structure and format of the BPDP is largely the same as followed for GPDP, which is as under:

- (i) After GPDPs are prepared and approved at GP level, the same are to be forwarded by the GPs to the Intermediate Panchayat.
- (ii) Those projects and activities, which are to be implemented in more than one GPs, should be implemented at the Intermediate Panchayat level because of its higher institutional capacity and technical competence.
- (iii) The BPDP to be approved by Block Sabha consisting of all Block/Intermediate Panchayat members, District Panchayat members in the Block Panchayat area, GP Presidents/Sarpanches of all the Gram Panchayats from the concerned Block. The meeting of such members to be convened at Block level, which is to be considered as Block Sabha.
- (iv) Apart from Elected Representatives, Block level line Department officials, leader of SHG federations, experts, professionals, doctors, etc. may also be nominated as members of Block Sabha.
- (v) There may be total 50-80 persons including aforesaid peoples nominated as member of Block Sabha by President of Intermediate Panchayat.
- (vi) The meeting of Block Sabha will be presided over by President of the Intermediate Panchayat and Block Panchayat Officer / Block Development Officer may be nominated as Convener of Block Sabha.
- (vii) The financial matters would be sanctioned by competent authority as authorized by State Government in Intermediate Panchayat.

### **3.2.2 Steps for preparing Block Panchayat Development Plan:**

- (i) Formation of Intermediate-Planning Planning Committee (IPPC) for every Intermediate Panchayat for shared understanding and facilitation of the entire planning process orienting and activating them to take up and carry forward the entire process of BPDP.
- (ii) Environment creation and community mobilization.
- (iii) Situation analysis, need assessment and gap identification based on PDI data.
- (iv) Preparation of Development Status Report based on PDI data.
- (v) Visioning exercise for goal setting.
- (vi) Resources estimation and identification of corresponding activities – Special Block Sabha.

### 3.3 Preparation of District Panchayat Development Plan (DPDP)

3.3.1 As Local Government, the District Panchayats are also responsible for ensuring delivery of basic services to local citizens and addressing vulnerabilities of poor and marginalized sections. This can be achieved only through implementation of need based plans through efficient utilization of available resources. Further, it has to be ensured that there should not be duplication of its works with those undertaken /to be undertaken by the Gram Panchayat, Intermediate Panchayat and line departments. The preparation of the DPDP for rural area is a time-bound process, it is essential part of chain of plans to be prepared in cascading mode. It should be prepared after completion of GPDPs by the Gram Panchayat and BPDP by the Intermediate Panchayat in their respective area. It should provide building blocks to Draft District Panchayat Development Plan to be prepared by the District Planning Committee for district as a whole.

#### 3.3.2 Process of preparation of District Panchayat Development Plan (DPDP)

The process, structure and format of the DPDP, is largely the same as followed at GP level for GPDP and Intermediate Panchayat (IP) level for BPDP, which is as under:

- (i) After GPDPs and BPDPs in the area of the district are prepared and approved at GP and IP levels, the GPDPs and BPDPs are to be forwarded by the GPs and IPs respectively to the District Panchayat.
- (ii) The projects and activities, which are to be implemented in more than one GP but cannot be accommodated in the BPDP and also the projects and activities, which are to be implemented in more than one Block but cannot be included in the BPDP for want of technical competencies or lack of resources, are to be considered by the District Panchayat for inclusion in the DPDP.
- (iii) Besides, the District Panchayat Development Plan would include those activities which the District Panchayat need to implement following the principles of subsidiarity.

- (iv) The District Panchayat Development Plan would be approved by District Sabha consisting of all District Panchayat members, Block Panchayat Presidents and Vice Presidents, Presidents/Sarpanches of at least five Gram Panchayats from the concerned District, shall be convened and this meeting has to be considered as District Sabha.
- (v) Apart from Elected Representatives, District level officers of line department, academicians, doctors, NGOs, representatives of women collectives/ SHG federations may also be nominated as members of District Sabha.

### 3.3.3 Steps for preparing District Panchayat Development Plan

- (i) Formation of District Panchayat Development Planning Committee (DPDPC) for every District for shared understanding and facilitation of the entire planning process orienting and activating them to take up the entire process of DPDP.
- (ii) Environment creation and community mobilization.
- (iii) Situation analysis, need assessment and gap identification based on PDI data.
- (iv) Preparation of Development Status Report based on PDI data.
- (v) Visioning exercise for goal setting.
- (vi) Resources estimation and identification of corresponding activities – Special District Sabha.
- (vii) Draft Plan: Prioritization of activities.
- (viii) Approval of DPDP and uploading on eGramSwaraj Portal.

7	Uploading Plan on eGS Portal	By 31 <sup>st</sup> March, 2025

## Chapter 4: GPDP in Panchayat (Extension to Schedule Area) Act (PESA) Areas

**4.1 Background:** PESA promotes people-centric governance and provides a central role to the Gram Sabha. The Gram Sabhas of the PESA village/hamlet are deemed to be 'competent' to safeguard and preserve the traditions of their people, community resources, and customary mode of dispute resolution. The Gram Sabha further has:

- (i) Mandatory executive functions like to approve plans of the Gram Panchayats, to identify beneficiaries for schemes, to issue certificates of utilization of funds;
- (ii) Right to mandatory consultation in matters of land acquisition, resettlement, and rehabilitation, and to acquire prospecting licenses/mining leases for minor minerals;
- (iii) Power to prevent alienation of land and restore alienated land;
- (iv) Power to regulate and restrict the sale/consumption of liquor;
- (v) Power to manage village markets, control money lending to STs;
- (vi) Ownership of minor forest produce;
- (vii) Power to control institutions and functionaries in all social sectors;
- (viii) Power to control local plans and resources for such plans, including Tribal Sub Plan (TSP), etc.

**4.2 PESA GPDP:** The integrated GPDP-PESA Portal enables village-level planning linked with GPDP. The resource envelope of Fifteenth Finance Commission (both tied and untied grants) of PESA Village is also displayed on the portal. The integrated GPDP-PESA portal has all 9 themes of LSDGs along with added 7 themes of PESA. The PESA GPDP will empower tribal communities by giving them greater control over the development journey, empowering them to actively participate in decision making, and ensuring that development priorities identified by them are accurately reflected. The seven PESA themes are:

- (i) Strengthening of PESA Gram Sabha
- (ii) Minor Forest Produce
- (iii) Minor Minerals
- (iv) Prevention of Alienation of Land
- (v) Enforcement of Prohibition and Sales and Consumption of Intoxicants
- (vi) Customary Mode of Dispute Resolution
- (vii) Control Over Money Lending

4.2.1 Hence, for a PESA village, the activities related to the nine themes of LSDG along with the activities related to the PESA themes will be visible. The activities corresponding to each PESA theme are mapped in the portal, similar to the activities of the LSDG theme.

4.2.2 The States have to ensure that in PESA areas, the GPDP is prepared at village level and not at Gram Panchayat level. If one village is mapped with multiple GPs, the integrated GPDP-PESA portal has been customized to restrict users from other GPs from entering data for the village. The Own Source Revenue (OSR) details will also be captured on the integrated GPDP-PESA portal.

4.2.3 All PESA villages have to open their bank accounts and link them with the PFMS portal from 1<sup>st</sup> April 2025, which may be mapped with the integrated GPDP- PESA Portal. The States are required to complete this activity by the end of year 2024.

### **4.3 Updation of profiler and its mandatory validation at Block level:**

4.3.1 A dedicated PESA Portal has been developed and linked with the eGS portal to prepare the profile of PESA village. The portal will give the basic profile of each PESA village, such as Gram Sabha constitution, powers, quorum, minor forest produce, minor minerals, dispute resolution, money lending control, land alienation prevention, etc. The profiler is based on seven broad themes of PESA, namely:

- (i) Strengthening of PESA Gram Sabha
- (ii) Minor Forest Produce
- (iii) Minor Minerals
- (iv) Prevention of Alienation of Land
- (v) Enforcement of Prohibition and Sales and Consumption of Intoxicants
- (vi) Customary Mode of Dispute Resolution
- (vii) Control Over Money Lending

4.3.2 For each theme, there are basic questionnaire to be filled up for the particular PESA village. After submitting all the questions for the PESA village, the same will have to be validated at the block level. The SOP of PESA profiler is attached herewith as **Annexure VI**.

## Chapter 5: Process of uploading of Panchayat Development Plan (PDP) on the portal and validation of profiler

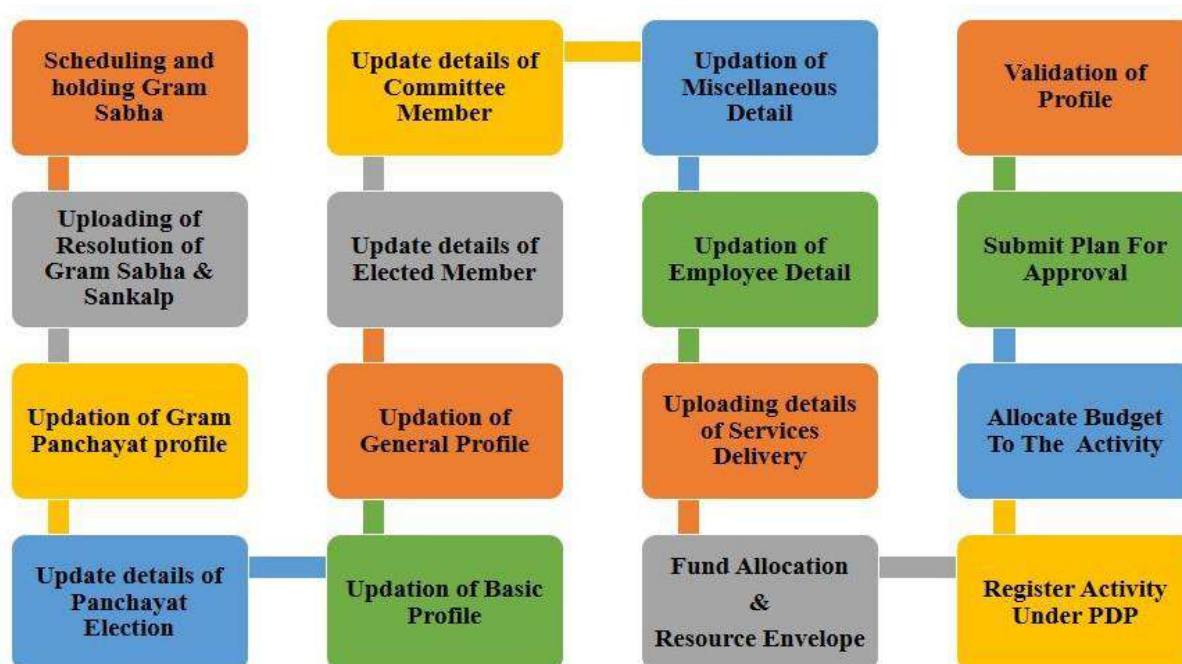

**5.1 eGramSwaraj Application:** eGramSwaraj application has been developed under e-Panchayat Mission Mode Project (MMP). The application provides a single platform to the Panchayats for planning, reporting, work-based accounting, and monitoring. Some of the salient features incorporated in the eGramSwaraj Application are as under:

- (i) **Panchayat Profile:** Maintains the Panchayat profile with Election, Elected Members, and Committee details.
- (ii) **Planning:** Facilitates the planning of activities and action plan creation.
- (iii) **Progress Reporting:** Records the physical and financial progress of approved activities.
- (iv) **Accounting:** Facilitates the work-based accounting and monitoring of funds. Tracking every expenditure incurred for each of the activities proposed under PDPs.
- (v) **Asset Directory:** Stores all the immovable and movable assets created in Panchayats at one place.

**5.2 Uploading of Panchayat Development Plan (PDP):** The process flow of eGramSwaraj, starting from updation of the Panchayat profiler to the uploading of the plan and tracking of physical and financial progress, is as under:

**5.3 The process flow of updating the profiler of the Panchayats and uploading GPDP before validation of the profiler section has been depicted in the following chart.**

**5.4 Validation of profiler section:** Gram Panchayats are uploading their profile details in the eGramSwaraj portal. It has been made mandatory to update the Panchayat profile before uploading the Panchayat Plan. Now various data points of the profiler section have been made part of the Panchayat Development Index (PDI), which are ported from eGramSwaraj to the PDI portal. Therefore, to ensure quality data in the profiler section and PDI, a validation mechanism is to be put in place at the Gram Panchayat and Block level to validate the data entered by Gram Panchayats in the profiler section.

**5.5 Block Level Coordination Committees (BLCC):** BLCC to be set up at Block level in the Chairmanship of Sub Divisional Magistrate (SDM) /Block Development Officer (BDO) or the officer of equal rank in order to validate data entered by Gram Panchayat in profiler section, facilitate convergence, monitor the implementation, etc. This Committee is mainly responsible for operationalizing participatory planning and further linking budget and programmatic resources with the demands. Orientation, Capacity Building & Training (CB&T) of all the stakeholders involved in planning will also be overseen by this committee.

5.5.1 The constitution of the Block Level Coordination Committee will be as under:

Chairperson	Sub Divisional Magistrate /Block Development Officer or the officer of equal rank
Convenor/ Member Secretary	CEO Block Janpad/Any equal rank officer
Members	(i) All the departments related to subjects devolved to Panchayats in Eleventh Schedule

	(ii) Gram Panchayat Elected Representatives (2-3) nominated by Block Panchayat Chairperson on rotation basis
--	--

5.5.2 The coordination committee constituted as above will be fully responsible for the smooth operation of the planning process, departmental coordination, and review at the block level. Some of the important responsibilities/functions of the committee are mentioned as under:

- (i) Issuing necessary guidelines for participation in GPDP process by identifying Facilitators for all Gram Panchayats.
- (ii) Formation of Gram Panchayat Planning Facilitating Team.
- (iii) To ensure the availability of necessary information to be received through the departments for conducting the planning process.
- (iv) Orientation of the planning facilitation team around the schemes and programs and budget availability.
- (v) Review and track the progress of the GPDP plans based on four parameters (1) Number of activities completed (2) Number of activities under progress (3) Number of individual beneficiaries demands completed (4) Number of both community activities and individual activities pending
- (vi) Progress review of planning process through monthly meetings and redressal of problems faced at local level.

#### **5.6 Profiler Validation mechanism at Gram Panchayat and Block level:**

- (i) Panchayat Secretary to download consolidated dataset of profiler section and place before the Gram Sabha for approval.
- (ii) Upon approval of Gram Sabha, submit on portal for Block Level validation/ scrutiny.
- (iii) The Block Level Coordination Committee / Block Development Officer to validate profiler data of all Gram Panchayat.
- (iv) Without validation of GP level profiler data, the Plan could not be uploaded and forwarded for administrative approval.

**5.7 Convergence of Centrally Sponsored Scheme:** Panchayats are mandated to prepare the Plan for Economic Development and Social Justice. Therefore, to prepare a comprehensive plan effective convergence at the Panchayat level is essential so that the available resources of Panchayats and resources expected under different schemes and programs could be mapped in the resource envelop of the Panchayats. Subsequently, based on the resource envelop, the requirements/ felt needs could be prioritized. The Block Level Coordination Committees (BLCC) will facilitate the availability of necessary information regarding schemes and programs and the budget of other departments for effective convergence. The list of major flagship schemes of Central Government is at **Annexure VII**. The BLCC is expected to facilitate sharing the information of these flagship schemes with Gram Panchayats for suitable inclusion in GPDP. Further, BLCC is to also facilitate sharing the information of State level Schemes and Programmes for inclusion in GPDP.

### **Snapshot of the basic requirements for preparation and uploading of GPDP**

- Thematic GPDP to be prepared with special focus on ‘Sankalp’ taken/ themes prioritized by GPs.
- GPs may either take the same theme as a Sankalp/ priority for preparation of GPDP 2025-26 with the resolution of Gram Sabha, which was taken for preparation of GPDP 2024-25 or GPs may also take a new Sankalp/ prioritize new theme for preparation of GPDP 2025-26 with the resolution of Gram Sabha.
- The ‘Sankalp’/ themes prioritization is to be carried out on the portal <https://meetingonline.gov.in/> Panchayat Nirnay application and resolutions of Gram Sabha are also to be uploaded on the same portal.
- Orientation by MoPR team in States/UTs and uploading feedback on the eGramSwaraj portal.
- Orientation at State/ District/ Block level on the PPC/GPDP team and the information to be uploaded on the eGramSwaraj portal.
- Updation of Gram Panchayat Profile. It has been observed that the profile is not being updated properly. The profile is to be updated carefully, which is one of the databases of GP not only for the Ministry but also for the State/ Districts and Blocks etc.
- **Mandatory validation of Gram Panchayat Profile at Block Level: Without validation, the GPDP of the Gram Panchayat cannot be uploaded.**
- **Mandatory inclusion of Own Source Revenue (OSR) in the resource envelope of the Gram Panchayat for GPDP.**
- All flagship schemes, which are being implemented in a GP by other Departments are to be made part of GPDP.
- The VPRP to be integrated in GPDP. The VPRP activities are mapped in different themes and included in the drop-down in the portal.
- GPs to allocate minimum **25% of untied (FFC/SFC/OSR) resources** on the themes on which the Panchayat has taken ‘Sankalp’ as approved by Gram Sabha.
- **At least 25%** of the activities of the theme in which the GP has taken Sankalp to be chosen from the list of activities of a particular theme to be worked on by the GP.
- **State may fix some percentage of GPDPs to be scrutinized for the quality of GPDP at the Block Level, District level and State level.**

## Chapter-6: Gram Sabha for Preparation of GPDP

*“The Greater the power of the Panchayats, The better for the People”*

- Mahatma Gandhi

Gram Sabha is the fulcrum of people’s participation in Local Governance. It provides an opportunity for the people to get involved in the planning process for the development of their locality and make the administration more accountable and transparent. It is the responsibility of Elected Representatives, functionaries, and community members to see that the Gram Sabha functions as per the rules and expectations.

**6.1 Schedule of Gram Sabha:** During the campaign period, two special Gram Sabhas are required to be held. The first Gram Sabha should be organized for carrying out the visioning exercise and prioritizing needs based on the gaps identified through PDI. The frontline workers are required to give a brief structured presentation regarding the activities of all line Departments. In the 2<sup>nd</sup> Gram Sabha, the draft GPDP, which is inclusive of different sub plans such as VPRP and Departmental Village Action Plan, shall be placed before the Gram Sabha for approval.

### **Scheduling Gram Sabha through the meeting online portal/ Panchayat Nirnay App**

Gram Sabha, a constitutional body, offers a viable platform to rural citizens to meet and deliberate upon governance and development issues, to discuss their common problems for finding solutions, and to enhance participative governance at the grassroots level. Considering the importance of Gram Sabha, the Ministry has been advising and encouraging the States/UTs to make the Gram Sabhas vibrant. Further, to institutionalize the Gram Sabha and to make it vibrant, the Ministry has launched the Meeting Online Portal (<https://meetingonline.gov.in>) which is being used to schedule Gram Sabha meetings and upload resolutions /minutes, etc.

Panchayat NIRNAY Application, a mobile application of Meeting Online Portal, has also been developed for ease of capturing the Gram Sabha meetings. The App aims to facilitate systemic and effective conduct of Gram Sabha meetings, leveraging digital means of information dissemination. The App features like:

- (i) Selection of venue of the meeting
- (ii) Issue of meeting notice
- (iii) Circulation of agenda
- (iv) Preparation of minutes
- (v) Geo-tagged photos and video of the meeting
- (vi) Attendance of the meeting
- (vii) Decision/ resolution of the meeting

The User Manual/SoP of Panchayat NIRNAY App is at **Annexure VIII** and the instructions for Gram Panchayat Secretary to use the said App are at **Annexure IX**. The App as well as portal have also been integrated with the eGramSwaraj portal for the purpose of thematic planning.

**6.2 Gram Sabha Agenda:** Though the Gram Sabha is free to discuss any issue related to the Gram Panchayat, there are some agendas which have to be discussed necessarily. These agenda are as follows:

- (i) The annual statement of accounts of the Gram Panchayat.
- (ii) The report of the preceding financial year. Last audit note and replies, if any, by the Gram Panchayat.
- (iii) The budget of the Gram Panchayat for the next financial year.
- (iv) The report in respect of development programs of the Gram Panchayat relating to the preceding year.
- (v) Development programs proposed to be undertaken during the current year considering the grant allocated under the Central Finance Commission, State Finance Commission, Own Source Revenue, and other resources available/expected at GP level.
- (vi) The recommendations of the Village Organisation through VPRP.
- (vii) The recommendations of the Ward Sabha/Mahila Sabha.
- (viii) The Gram Sabha can also discuss proposals, which are important for a Ward, although the Ward Sabha has not included it in its agenda.

**6.3 Steps to be followed for Successful Gram Sabha:** In order to ensure effective participation in the Gram Sabha, all members should be formally and compulsorily informed in time. Wide dissemination through use of all available channels, including social media, should be ensured for greater community participation. *A template of the calendar of the Gram Sabha Planning is provided as Annexure-X.*

**6.3.1 Formal Notification:** Before organizing the Gram Sabha, it is important to issue notice as per the existing norms of the state. Wide publicity must be ensured. The notice of the Gram Sabha can also be publicized by beating of drums and pasting of the notice at the Panchayat Bhavan, Schools, offices of Village Organization and Cluster Level Federations and local marketplace.

- (i) All voters must receive the notice of the Gram Sabha at least a week before the scheduled date.
- (ii) The notice should necessarily mention the date, time, venue, and agenda of the Gram Sabha.
- (iii) The agenda of the Gram Sabha should be written in clear and simple languages that people can easily understand.

**6.3.2 Ensuring Participation of People from all Sections:** While preparing Panchayat Development Plans, focus should be given to the upliftment of people belonging to Scheduled Castes, Scheduled Tribes, Backward classes, and other weaker sections, and therefore, their participation in the Gram Sabha to be ensured and to provide opportunity for them to freely express their felt needs and grievances. In order to ensure their better participation, the information regarding the conduct of Gram Sabha should be extensively propagated in areas inhabited by Scheduled Castes, Scheduled Tribes, and other Weaker Sections.

**6.3.3 Participation of Women through Mahila Sabha:** As per the advisory issued from the Ministry of Panchayati Raj, Mahila Sabha may be organised prior to each Gram Sabha. The objective is to include women's issues in Gram Sabha resolutions and subsequently in GPDP.

### **Integration of inputs from Ward Sabha and Mahila Sabha**

To involve all people in the process of decision-making in Gram Sabha, separate Gram Sabha for women may be conducted prior to main regular Gram Sabha meetings to ensure better mainstreaming of their issues into the GPDP. To ensure effective environment building to achieve the objectives and goals of GPDP, appropriate Information, Education and Communication (IEC) materials and activities should be initiated by the respective GPs. A successful GPDP depends on the effectiveness of the IEC, leading to active people's participation of all stakeholders in the Ward Sabha, Mahila Sabha, and Gram Sabha. Integration of the inputs from the Ward Sabha, Mahila Sabha with sub-Gram Sabha level meetings may be ensured to develop a comprehensive plan. An advisory on Mahila Sabha has already been issued and is available at **Annexure XI**.

**6.3.5 Quorum for the Gram Sabha:** The quorum for the meeting of the Gram Sabha needs to be maintained as per the relevant Panchayati Raj Acts of the State. If the first meeting is postponed for want of quorum, the meeting shall adjourn to another date, and the procedure shall be as per the provisions of the State Panchayati Raj Act.

## Chapter-7: PRI and SHG convergence and VPRP for GPDP

**7.1 Background:** The primary objective of GPDP is to develop an integrated plan by the GP for Economic and Social development of the local community. It should ideally match people's needs and priorities with available resources. Ensuring active participation of the local community is one of the pre-requisite for understanding the local needs, their prioritisation in line with available resources. SHGs and their federation, as institutions of the poor, have a key role in the planning and implementation of interventions for Economic development and Social justice. The responsibilities of the SHG network include active participation in Gram Sabhas and other forums of Gram Panchayats (GPs), providing feedback through community-based monitoring, and supporting GPs in their development initiatives and planning exercises by preparing the Village Prosperity Resilience Plan (VPRP) and its integration in GPDP.

**7.2 Actions for Convergence of PRIs and CBOs:** In due appreciation of the need for convergence of GP and SHG, the following actions may be taken for comprehensive development of Gram Panchayats:

- (i) Inclusion of SHG federation representatives and CRPs in the GPDP planning team/ GPPFT.
- (ii) SHGs and their federations may help in strengthening Gram Sabha through active participation and discussions on various issues of the local community.
- (iii) SHGs and their federations may actively participate in the planning, implementing, and monitoring of GPDP, specifically in matters related to poverty reduction. The services of SHGs and their federations may be utilized for the following activities:
  - a) Preparation of Village Prosperity Resilience Plan (VPRP)
  - b) Participation in the Mahila Sabhas and Ward Sabhas preceding Gram Sabha
  - c) Local campaigns against social evils like alcoholism and substance abuse, manual scavenging, child marriage, child labour, domestic violence, and trafficking of women, etc.

### 7.3 Village Prosperity Resilience Plan and its integration into GPDP

As per the joint advisories issued by the Ministry of Rural Development (MoRD) and the Ministry of Panchayati Raj (MoPR) in 2018, the SHG network promoted in the villages under DAY-NRLM has been mandated to prepare their demands and plans in the form of VPRP and present the same in Gram Sabhas. The plans are prepared by the SHG members in the concerned SHGs and are consolidated at Village level SHG federations. The final VPRP compiled at the Gram Panchayat level will be presented and submitted to GP during Gram Sabha meetings for integration into GPDP.

**7.4 Objective of VPRP:** The VPRP is expected to fulfill the following objectives:

- (i) Engage the women collectives in the local planning process of the village.
- (ii) Preparation of an inclusive demand of the SHGs to be included in the GPDP.
- (iii) Enhance the interface of the SHG network with GPs for poverty alleviation.
- (iv) Represent the demands of the poorest of the poor in the village through VPRP.

**7.5 Components of VPRP:** The VPRP is a comprehensive demand that seeks to target the multi-dimensional factors of poverty. It is, therefore, categorized under four components that are listed below:

- a) **Entitlement plan:** The entitlement plan captures the individual demands of the SHG members (and other vulnerable groups in the village) for basic needs and social security that they are entitled to receive from the Central or State Governments, in the form of Centrally Sponsored and State Sponsored Schemes such as demands for MGNREGS Job Card, House under PMAY-G, Social Security pensions under the National Social Assistance Programme, individual household latrines under Swachh Bharat Mission (Gramin), Health card under Pradhan Mantri Jan Arogya Yojana, the household gas connection under UJJWALA scheme, etc.
- b) **Livelihood plan:** The livelihood plan captures the demands of the SHG members for livelihood activities such as farm-based, animal husbandry, non-farm, etc. A comprehensive village livelihoods planning process is used to prepare a household level detailed activity wise plan for which support may be required from GPs and line departments.
- c) **Public Goods and Services, Resource Development Plan (PGSRD):** This plan captures the gaps in the availability and quality of major public goods and institutions like streetlights, roads, Panchayat offices, Anganwadi centers, absence of teachers in schools, etc. It also captures the need for developing the existing natural resources in the village, such as water harvesting structures, land development, building embankments, forest fencing, etc. This also includes the demands by the VOs for the community assets for livelihood promotion under the permissible activities of MGNREGS.
- d) **Social Development Plan (SDP):** Social development plans are proposals that address certain social issues specific to the community related to health, education, social exclusion, gender issues, environmental-related problems, etc. The Social Development plans can fall under the umbrella of ‘Low Cost/ No cost’ demands in GPDP.

## **7.6 Process of preparation of VPRP and integration in GPDP**

- a) **Plan preparation:** VPRP are prepared through a participatory exercise involving all the SHGs and their federations. As the plans are prepared using an application, this will allow for reports to be generated on all four components of the VPRP.
- b) **GP level consolidation and finalisation of VPRP:** All four components of VPRP will be consolidated and prioritised at the GP level by all VOs. First priority will be given to the demands of the ultra-poor and most vulnerable during the prioritisation and finalisation process. This will help the VOs to support the GPs in selecting the right beneficiaries for schemes which have limited funds.
- c) **Presentation and submission of VPRP in Gram Sabha:** The finalized VPRP shall be presented by SHG federations before Gram Sabha. A discussion can be initiated on the demands and the availability of the budget within the resource envelope of different schemes such as Central Finance Commission, State Finance Commission, Own Source Revenue, MGNREGS, and funds with line departments. The CBO shall also share the demands, which can be met from the own resources available with the SHG federations.

Based on the consensus, a resolution may be passed by Gram Sabha on agreed demands of VPRP that can be incorporated into GPDP.

- d) **Visibility of VPRP demands in e-Gram Swaraj portal:** The final GPDP will be uploaded in the eGramSwaraj portal as per the government mandate, which makes the information accessible to common citizens. The VPRP activities or demands are mapped with the relevant themes of LSDG in the eGS portal. This allows GPs to select the approved VPRP demands as per Gram Sabha approval and allocate the funds accordingly.

## Chapter 8: Capacity Building & Training

**8.1 Introduction:** The Government of India has envisioned multipronged strategies to address the core issues of rural poverty, inequality, poor human development indices, and unemployment. Significant financial support to PRIs is made available under Central Finance Commission (CFC) Grants, Centrally Sponsored and Central Sector Schemes. States additionally devolve funds through State Finance Commissions (SFC) and provide financial support under the State specific schemes. Such a huge devolution of funds from Central & State Governments has created an enormous opportunity for responsive Local Governance at the cutting-edge institutional level of the Panchayats. The substantial increase in resources available with the Panchayats is to be accompanied by enhanced service delivery and measurable impact at the local level. Thus, comprehensive Capacity Building & Training (CB&T) of Elected Representatives, functionaries, facilitators and other relevant stakeholders of PRIs is essential for better planning, implementation, monitoring, and improved service delivery.

**8.2 Challenges and Complexities of CB&T:** CB&T of various stakeholders of Panchayats is a complex task, due to the large number and diverse profile of stakeholders. The key challenges and complexities are as under:

- (i) Effectively engaging the diverse group while ensuring that the CB&T is of high quality and tailored to specific local contexts.
- (ii) Various subjects are to be covered, such as local self-governance, Panchayat Finance including the Public Finance Management System (PFMS), Own Source Revenue (OSR), eGramSwaraj, Audit online, Devolution of powers to Panchayats, Localisation of Sustainable Development Goals (SDGs), Spatial Planning, Carbon Neutral initiatives, Contract Management, or any other training for state-specific needs.
- (iii) Preparation of quality Panchayat Development Plan {Gram Panchayat Development Plan (GPDP)/ Block Panchayat Development Plan (BPDP)/ District Panchayat Development Plan (DPDP)} at respective levels and achievement of SDGs through concerted and collaborative efforts of Central Ministries and State line departments

**8.3 Scheme for CB&T (RGSA):** The Revamped scheme of RGSA has been formulated with the aim to strengthen the capacity of institutions for Rural Local Government to enable them to become more responsive towards local developmental needs. Further, the scheme also focusses to capacitate the stakeholders to prepare participatory plans leveraging technology and efficiently utilize available resources for realizing sustainable solutions for local challenges linked to SDGs adopting the 9 thematic approach of LSDGs. The focus of the scheme is on re-imagining Panchayati Raj Institutions as vibrant centers of local self-governance and economic growth, with a special focus on localization of Sustainable Development Goals (SDGs) at the grassroots level, adopting a thematic approach.

### 8.4 Capacity Building of Stakeholders:

8.4.1 Very often the key stakeholders of CB&T in Panchayats are perceived to be Elected Representatives and support functionaries. However, CB&T is carried out at the National, State, District and Sub district levels for the wide range of institutions and human resources in basic

functions of governance, including planning and implementation of development programs. The CB&T of Elected Representatives, Panchayat officials, members of Statutory Standing Committees, the Planning Committee and Sectoral Working Group, SHG federation leaders, line department officials, community leaders, civil society organizations and other relevant agencies is essential to prepare participative, convergent, and compensative Panchayat Development Plan.

## **8.5 Training Module for PPC**

8.5.1 The States/UT to develop an appropriate CB&T strategy and action plan. The National Institute of Rural Development and Panchayati Raj (NIRD&PR) may lead and develop customised Training Modules for key stakeholders in coordination with SIRDs of concerned States. Issues of Planning, Good Governance, Localization of SDGs, focus areas, and issues related to National importance should be part of these modules.

8.5.2 Given the focus on the Localization of SDGs, State level Master Trainers and key stakeholders must be given training through customised training modules covering the nine themes, its implication, and the integration mechanism into Panchayat Development Plan.

## **8.6 Ministry's Initiatives for CB&T:**

- (i) Thematic State Level Mater Trainers (SLMTs) training is being imparted by NIRD&PR utilizing revised training materials/modules prepared for each themes of LSDGs
- (ii) The State/UTs Annual Action Plans for 2024-25 have been approved with the focus on training to prepare thematic GPDP/BPDP/DPDP.

## **8.7 Expectation from States/UTs**

- (i) The States/UTs to customize training modules developed for the trainings of Elected Representatives, Functionaries, and other stakeholder towards preparation of quality PDP adopting thematic approach of LSDGs.
- (ii) Thematic State Level Mater Trainers (SLMTs) trained by NIRD&PR are expected to provide training to the District Level Mater Trainers (DLMTs) and Block Level Mater Trainers (BLMTs) in cascading mode.
- (iii) To accelerate the CB&T approved under Revamped RGSA with a specific focus on training related to PDP and the integration of VPRP.
- (iv) Effective convergence of training material, infrastructure, IEC materials, etc. of other line departments for better planning process.
- (v) Conduct joint training sessions of Elected Representatives, Functionaries, Line Departments, SHG federation leaders, and other stakeholders to enhance convergence in the planning process.

**D. O. No. M-11015/355/2022-CB**

**Dated: 30<sup>th</sup> September, 2022**

**Dear Chief Secretary,**

The People's Plan Campaign (PPC) – 'Sabki Yojana Sabka Vikas' is rolled-out annually for preparation of Panchayat Development Plans (PDPs). Inspired by the visible and satisfactory performances of earlier Campaigns and to provide sustainability to formulation of PDPs, it is proposed to launch PPC-2022 from 2nd October, 2022 to 31st January, 2023 for preparing District, Block and Gram Panchayat Development Plans for the Financial Year 2023-24.

2. As you are aware, Ministry of Panchayati Raj has evolved thematic approach aggregating 17 SDGs into 9 broad themes to Localise Sustainable Development Goals (LSDGs) at grassroots level through Panchayats adopting 'Whole of Government and Whole of Society' approach. To adopt convergent approach in localization of SDGs, Joint Advisories of respective Ministries on 9 themes were issued. Subsequently, Joint Resolution with 26 Departments /21 Ministries was signed wherein all agreed to work jointly in the 9 thematic areas embodying the spirit of inclusive development.

3. Generally, during PPC two special Gram Sabhas (GS) are held. In the first Gram Sabha environment is created for preparation of Plan and during 2nd GS, Gram Panchayat Development Plan (GPDP) is prepared. Since, frontline workers of the line Departments are the key stakeholders, their participation in both GS is of utmost importance to prepare evidence based comprehensive and inclusive GPDP. It is expected that frontline workers will disseminate features of their schemes, resources, convergence mechanisms etc. and finally facilitate in incorporating activities of their Departmental Village Action Plan into GPDP.

4. However, the analysis of the participation of frontline workers in last year planning process shows lukewarm response of the line departments. It is seen that frontline workers of only 3 line Departments were present in just 50% Gram Sabha meetings and of 5 or more line departments were present in only 3% Gram Sabha meetings. The State-wise and Department-wise status of participation in GS is annexed. Coming together of different line departments in Gram Sabha would not only augment the awareness about Central and State schemes but also help in preparation of comprehensive plan through participatory approach.

5. To adopt convergent approach in localization of SDGs, Joint Advisories on all 9 themes were issued. Subsequently, Joint Resolution with 26 Departments /21 Ministries was signed embodying the spirit of inclusive development in the 9 thematic areas. All States/UTs have actively supported the LSDGs and till date over 2.20 lakh GPs have identified themes on which they would like to assign priority in the GPDP. We believe that active participation of frontline workers of line Departments in the PPC would improve the quality of GPDP and make the entire process truly participative.

6. Hence, necessary directions to the line Departments to ensure participation of their frontline workers / officers in both the Gram Sabhas organised during PPC for preparation of GPDP may be issued. We urge that progress of PPC may be regularly monitored at High level Committees constituted at State and District levels.

With warm regards,

Yours sincerely,

D.O. No.: M-11015/205/2022-CB

Dated: 01<sup>st</sup> September, 2022

Dear Madam/Sir,

As you are aware, Ministry of Panchayati Raj (MoPR) has adopted a thematic approach towards Localization of Sustainable Development Goals (LSDGs) through PRIs, which covers all 17 SDGs in 09 Themes. These 9 themes are interrelated, interdependent and indivisible in nature. The Theme 2: Healthy Village; Theme 3: Child-Friendly Village; and Theme 9: Women-Friendly Village specifically addresses the issues related to Women and Children. The Ministry of Women and Child Development (MoWCD) along with other 20 Ministries and 26 Departments have together signed the resolution to support the Panchayats to achieve 9 themes of LSDG.

2. To take forward the commitment to meet 17 SDGs in 09 Themes, the Secretary, Ministry of Women and Child Development (MoWCD) vide D.O. No.PA/139/2019-CPMU dated 10<sup>th</sup> June, 2022 conveyed that MoWCD has also decided that role and support of community participation in promoting nutrition and good health should be greatly emphasized. To this Endeavour it is felt that community participation through the medium of "POSHAN Panchayats" will play a significant and transformational role in bringing about behavior change at the grass root level. This programme which covers theme 2, 3 and 9 of LSDGs, will initiate the *Jan Andolan into Jan Bhaidari* for achieving a '*Kuposhan Mukta Bharat*'. Flagging the issue of promoting nutrition and good health in the, *Mahila Sabha* and *Bal/Balika Sabhas* which are organized prior to *Gram Sabhas* in the Gram Panchayats, will go a long way in achieving the said objectives.

3. Earlier also MoPR vide D.O. No.: M-11015/98/2021-FD dated 16<sup>th</sup> August 2021 regarding '*Making Gram Sabhas Vibrant*' suggested that a minimum of six *Gram Sabha* meetings at a bimonthly frequency in a year may be conducted. In this reference, it has also been mentioned that '*Special Mahila Sabhas & Bal Sabhas* may continue to be organized in addition to these *Gram Sabha* meeting as required or as provided for in the respective statutes/rules/instructions of State Government'. Therefore, it becomes important to conduct *Mahila Sabha* and *Bal/Balika Sabhas* prior to the *Gram Sabhas* to enable the priority issue highlighted in the *Sabhas* to be discussed in *Gram Sabhas*. In these *Sabhas* adequate representation of member-cum beneficiaries may be ensured and one of the agenda at the *Mahila Sabhas* and *Bal/Balika Sabhas* may be on women, adolescent girls and child health and nutrition.

4. The D.O. under reference also advised States and UTs to activate the standing committee/sub-committees of the Gram Panchayats including women and child committee to achieve the objectives of LSDGs particularly Theme 2 – Healthy Village, Theme 3 – Child-Friendly Village and Theme 9 – Women-Friendly Village.

5. To make women and children an integral part of the 3-tier Panchayat development process of the Panchayats, States and UTs may likely to ensure the following:

- SHGs play a pivotal role in decision-making process through their Village Poverty Reduction Plan (VPRP) at *Gram Sabhas* relating issues to both women and child health. Currently, only 14% Registered SHG members attended the *Gram Sabhas* for preparation of GDPDP 2022-23 out of 8.22 Cr. members. State-wise SHG participation in *Gram Sabha* is placed in Annexure-I. In this regard, States and UTs may strive for 100% attendance of SHG members in the *Mahila Sabhas*. SHG members may also be called as

invitee in the Standing Committee for Women and Child Development for adequate coverage of intended POSHAN Abhiyan beneficiaries.

- ii. States and UTs should aim for 100% attendance of Women Elected Representative at the *Mahila Sabhas* and *Bal/Balika Sabhas* along with atleast 50% beneficiaries of POSHAN Abhiyan as invitees.
- iii. Mandatory participation of Anganwadi Workers, ICDS officers and officials from line departments in the *Mahila Sabhas* and *Bal/Balika Sabhas* may be aimed at by Department of Women and Child Development for adequately addressing the pertaining issue of malnutrition among mother and child at grassroots levels.
- iv. States and UTs may also strive that the Resolution of the *Mahila Sabhas* and *Bal/Balika Sabhas* are discussed at the *Gram Sabhas*, where the Gram Panchayat Planning Facilitator Team (GPPFT) (consisting of same female members of standing committee/sub-committees among other members) addresses the issues through specific activities in the Gram Panchayat Development Plan (GPDP).

We believe these joint efforts will succeed in achieving the objectives of Agenda 2030 and to ensure that 'No One is Left Behind'.

*Resed*

Yours Sincerely,

Encl. As Above
