Description of Activity: The Electronics and Communication Engineering student and staff association (ECSA) HSIT Nidasoshi organized the Holi festival, symbolizing the removal of evil and the sharing of joy, on 7th March 2023, within the college premises. Students were provided with chemical-free Herbal Gulal of different colors. Both boys and girls from the Electronics and Communication Engineering department applied these colors to each other without any consideration of seniority. The event aimed to foster a sense of togetherness among the students in a disciplined manner and was attended by HOD, senior faculty and staff members.

Objectives	PO	PSO
The Holi festival has a cultural significance among various Hindu traditions of the Indian subcontinent. It is the festive day to end and rid oneself of past errors, to end conflicts by meeting others, a day to forget and forgive.	6,8	--
